Selectmen of Stoneham.

June 26, 1911.

Boston and Northern Street Railway Company
Common Carrier

PETITION

To the Honorable Selectmen of the Town of Stoneham:

Respectfully represents the Boston and Northern Street Railway Company, that:—

1. Said Boston and Northern Street Railway Company a street-railway corporation organized under the laws of the Commonwealth of Massachusetts, and owning and operating a street railway in the town of Stoneham and elsewhere in said Commonwealth.

2. By the provisions of Chapter 402 of the Acts of the year 1907 said Company is authorized to act as a common carrier of newspapers, baggage, express matter and freight, in such cases, upon such parts of its railway, and to such extent in said Town of Stoneham as the Honorable Selectmen of said town and the Honorable Board of Railroad Commissioners approve.

3. Said Company desires that the Honorable Selectmen of Stoneham will approve of its acting as a common carrier of newspapers, baggage, express matter and freight in said Town of Stoneham, in the cases, upon all such parts of its railway to the extent and in the manner hereinafter set forth.

Wherefore said Boston and Northern Street Railway Company respectfully petitions the Honorable Selectmen of Stoneham to approve of said Boston and Northern Street Railway Company acting as common carriers of newspapers, baggage, express matter and freight in said Town of Stoneham, its right to act as such common carrier to be subject to termination only by revocation as by statute provided, and to be subject to such only of the regulations and restrictions made by the Honorable Selectmen of Stoneham, whether designated as regulations, restrictions,

conditions or by any other name, as shall be approved by the Honorable Board of Railroad Commissioners, along and upon the railway in the Town of Stoneham owned and operated by the Boston and Northern Street Railway Company over Main and Marble streets, from the Reading and Stoneham line, to the Stoneham and Winchester line, and along and upon Elm street in the Town of Stoneham, from the Wakefield and Stoneham line to the intersection of said Elm street with Main street, to the extent and to the extent only of carrying and transporting such kinds of packages, parcels, goods and merchandise, of such size, bulk, weight and dimensions as shall be approved by the Honorable Board of Railroad Commissioners, exclusive, however, of such articles and commodities, the transportation of which shall from time to time be prohibited by the Honorable Board of Railroad Commissioners, or deemed by your petitioner, (with the approval of the Honorable Board of Railroad Commissioners) or by the Honorable Board of Railroad Commissioners, likely to interfere with the conduct of your petitioners business as a common carrier of passengers.

Boston, May 2, 1910.

(Signed) BOSTON and NORTHERN STREET RAILWAY COMPANY,
By P. F. Sullivan, President.

NOTICE OF HEARING

Town of Stoneham, Tuesday, May 3, 1910.

Upon the petition of the Boston and Northern Street Railway Company, a street railway company operating a street railway in said Town of Stoneham, to the Selectmen of said Town, for approval of said Company's acting as common carriers of newspapers, baggage, express matter and freight in said Town, along and upon all the railways in the Town of Stoneham for the tracks of which the petitioner has been granted locations, excepting those

tracks in the Town of Stoneham for which locations have been granted by the Board of Metropolitan Park Commissioners, to such extent and in such manner as the Selectmen and the Honorable Board of Railroad Commissioners for the Commonwealth of Massachusetts shall by order approve under the provisions of Chapter 402 of the Acts of the year 1907, it is

Ordered, that a hearing be held upon said petition at the office of the Selectmen of Stoneham on the twenty-fourth day of May, A. D. 1910, at eight P. M., and said petitioner is hereby directed to give public notice of said hearing by publishing this order in the Stoneham Independent, a newspaper published in Stoneham, fourteen days at least before the date for said hearing.

Witness our hands this third day of May A. D. 1910.

(Signed) GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

ORDER

Town of Stoneham, January 4, 1911.

Upon the petition of the Boston and Northern Street Railway Company, after public notice and hearing, it being determined that public necessity and convenience require the granting of such petition, it is

Ordered, that the Boston and Northern Street Railway Company be, and it hereby is granted authority to act as common carrier of newspapers, baggage, express matter and freight in, along and upon those streets and highways in the Town of Stoneham wherein is located and maintained the street railway of said Boston and Northern Street Railway Company, to the extent and to the extent only of carrying and transporting such kinds of packages, parcels, goods and merchandise, of such size, bulk, weight and dimensions as shall be approved by the Honorable Board

of Railroad Commissioners, exclusive, however, of such articles and commodities as shall from time to time be prohibited by or excluded with approval of said Honorable Board of Railroad Commissioners, subject, nevertheless, to such regulations and restrictions as in the opinion of said Honorable Board of Railroad Commissioners, public necessity and convenience require, and to such regulations and restrictions as may from time to time be made by the Selectmen with the approval of the Honorable Board of Railroad Commissioners, and all provisions of law now or hereafter in force relating to common carriers.

(Signed) GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

People's Gas and Electric Company of Stoneham

PETITION

To the Selectmen of the Town of Stoneham:

Whereas the People's Gas and Electric Company of Stoneham on or about May 11, 1897, petitioned your Honorable Board for permission to lay and maintain gas pipes in the streets and highways of said Stoneham designated upon an accompanying plan, and for that purpose to dig up the streets so far as necessary, and

Whereas your Honorable Board on or about June 1st, 1897, granted to your petitioner permission to lay and maintain gas pipes in the streets and highways of said town in accordance with said plan, and also for such further extensions of pipes as should thereafter become advisable in conducting its business, and

Whereas your petitioner now owns and is maintaining gas pipes located in certain streets in said Stoneham herein below specified, and

Whereas the plan heretofore referred to has been lost and the locations designated thereon are doubtful:

Now therefore, said People's Gas and Electric Company respectfully petitions your Honorable Board to grant to it and its successors and assigns, permission (1) to dig up and open the ground for the purpose of laying and maintaining its pipes as they are presently located in the following streets:—Benton, Central, Common, Chestnut, Congress, Cedar ave, Dean, Elm, Flint ave, Franklin, Gerry, Hersam, Hancock, Lincoln, Main, Maple, Middle, Marble, Pomeworth, Pleasant, Pine, Pond, Spring, Union, Rowe, Warren, Washington, William, Wright, Winthrop, Winter, and (2) to dig up and open the ground in any and all of the streets and highways of said town for the purpose of laying and maintaining such pipes as may hereafter be necessary in the conduct of its business.

(Signed) PEOPLE'S GAS AND ELECTRIC CO.,
By CHARLES H. ADAMS, President.

NOTICE

In accordance with the foregoing petition, the Board of Selectmen and Board of Public Works, sitting jointly, will hold a public hearing in the Selectmen's room, Hill's Block, Thursday, October 13, 1910, at 7.30 o'clock in the evening.

(Signed)

GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen.

RALPH R. PATCH,
JAMES A. JONES,
LINWOOD L. GOVE,
Board of Public Works.

ORDER

Upon the petition of the People's Gas and Electric

Company of Stoneham for permission to dig up and open the ground in the streets and highways of said Stoneham for the purpose of laying and maintaining its gas pipes, it is hereby

Voted, that said Company and its successors and assigns be and hereby are granted permission and consent to dig up and open the ground for the purpose of laying and maintaining its pipes as they are presently located in the following streets:—Benton, Central, Common, Chestnut, Congress, Cedar ave, Dean, Elm, Flint ave, Franklin, Gerry, Hersam, Hancock, Lincoln, Main, Maple, Middle, Marble, Pomeworth, Pleasant, Pine, Pond, Spring, Union, Rowe, Warren, Washington, William, Wright, Winthrop, Winter, and to dig up and open the ground in any and all of the streets and highways of said town for the purpose of laying and maintaining such pipes as may hereafter be necessary in the conduct of its business.

It is expressly understood that said rights are granted under and in pursuance of the provisions and statutes of this Commonwealth, and that said Company shall restore all streets or ways which it disturbs, to their former condition, and shall save the town harmless from any liability by reason of negligence resulting therefrom. The town hereby reserves the right to dig up its streets for the purpose of laying sewer and water pipes and all other necessary municipal purposes incidental to the use of the streets.

GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen of town of Stoneham.
RALPH R. PATCH,
JAMES A. JONES,
LINWOOD L. GOVE,
Board of Public Works.

Tuesday, January 24, 1911

Boston, January 23d, 1911.

Hon. Board of Selectmen,

Town of Stoneham, Massachusetts.

Dear Sirs:—At a hearing given September 20th, in the Selectmen's room in Stoneham, on the application of the People's Gas and Electric Company, the writer made the following statements, which he herewith wishes to confirm:

The price of gas in Stoneham is today $2.00 per 1000 cu. ft., less 10% for prompt payment of bills, or $1.80 net. It is the intention of the Company to reduce the price to $1.60 gross or $1.50 net for all bills paid within ten days from date, as soon as the Company can get a supply of gas from Malden and Melrose Gas Light Company (which connection will be made as much before July 1st, 1911, as is possible).

It is the intention of the Company to lay approximately 2½ miles of new pipe during the season of 1911, and 2½ miles additional if same is found necessary, in the near future.

It is proposed to spend at least $2500. for repairs to the present gas mains and services, and as much more as may be necessary to put the present distributing system in first class shape.

100 ft. of main extension will be made free of charge for every new customer, provided said customer will use gas in a regular gas stove, consisting of two ovens and four top burners, or will use same for lighting purposes where there are at least five outlets and ten burners.

Meters of the "quarter" type, or regular type meters will be furnished to any one upon request, the Company reserving the right to request a reasonable deposit (minimum being $5.00), upon which deposit interest will be paid, as provided for by the statutes.

A minimum service charge of 50c per month, or $6.00 per year will be made for each individual service in operation.

50 ft. of 1½ inch service pipe will be laid free of charge. Any length in excess of this amount will be charged for at the rate of 30c per ft., except in case of ledge (both mains and services), where the actual cost of the blasting will be added.

Whenever the Company opens up the highway to lay mains or services, it will endeavor to put same back into as good shape as it was in before doing so. The Company, however, in all such cases, prefers to have the town do this work, they agreeing to reimburse the municipality for said expense.

Every effort will be made to give as good service to the town of Stoneham as it is possible for the Company to give.

(Signed)

A. B. TENNEY, President.

Town Meetings

Tuesday, January 31, 1911.

John W. Cawley was elected moderator and sworn by the Town Clerk.

ARTICLE 2

Voted, To appropriate the sum of two thousand and twenty-two dollars and thirty-seven cents ($2022.37) for the purpose of continuing the work of destroying the eggs, pupae and nests of the Gypsy and Brown Tail Moths in the highways and public lands of the town.

ARTICLE 3

Voted, To appropriate the sums received by taxation of private property, assessed on such property by reason of destroying the eggs, pupae and nests of the Gypsy and Brown Tail Moths by the town, said appropriation to be expended the present year for the same purpose; and all

such sums expended to be assessed upon the owners of property benefitted.

Voted, To adjourn.

Town Meeting

Monday, March 6, 1911.

John W. Cawley was elected Moderator and sworn by the Town Clerk.

Charles A. Stone, Winthrop C. Whiting, Clarence S. Lynde, George W. Newhall, William H. Thompson, Charles P. Brawley, Leon E. Blodgett, James H. Fitzpatrick, William J. Finnegan, and James E. Fulton, Tellers, having been appointed by the Selectmen as required by law, were sworn to the faithful performance of their duties by the Town Clerk.

The first set of ballots was delivered to the Ballot Clerks who receipted for the same, the ballot box opened, inspected, the register set at 0, locked, and the keys delivered to Sumner H. Green, Constable, after which the polls were declared open to receive ballots under article 2 of the warrant.

Voted, To close the polls under Article 2 at four o'clock in the afternoon.

Voted, That when this meeting adjourn, it be until Wednesday March 15, 1911, to meet in Armory Hall at 7.30 o'clock in the evening.

Voted, That no action be taken upon articles in the warrant excepting Articles 1 and 2 until the adjourned meeting.

Voted, To reconsider the vote whereby it was voted, "That when this meeting adjourn it be until Wednesday March 15, 1911, to meet in Armory Hall at 7.30 o'clock in the evening."

Voted, That when this meeting adjourn, it be until

Tuesday, March 14, 1911, to meet in Armory Hall at 7.30 o'clock in the evening.

By unanimous consent of the Moderator and Town Clerk, at two o'clock in the afternoon, the ballot box was opened, and ballots taken therefrom for the purpose of counting.

The Moderator appointed the following additional Tellers to assort and count the ballots. Robert F. Chase, Milton D. Whitcher, Edward W. Brady, George A. Hersam, Perley A. Blood, Frank J. Reynolds, Melvin D. Poole, Fred E. Kerns, James F. Smardon, Fred R. Reynolds, who were sworn by the Town Clerk.

Three "Holt Counting Apparatus" were used in counting the ballots; two Republican and two Democrat Tellers assigned to each.

At four o'clock in the afternoon, in accordance with the vote previously taken, the Moderator declared the polls closed at which time the ballot box registered 1341 as ascertained by the Town Clerk.

The check lists at the gate had the names of thirteen hundred and twenty-seven persons checked as having received ballots.

Men	1320
Women	7

The number of ballots given out by the Ballot Clerks was thirteen hundred and twenty-seven.

Men	1320
Women	7

The number of unused ballots returned to the Town Clerk was one thousand and forty-five.

Men	805
Women	240

The check lists at the ballot box had the names of thirteen hundred and twenty-seven persons checked as having voted.

Men	1320
Women	7

The number of ballots taken from the ballot box as counted by the Moderator was thirteen hundred and twenty-seven.

Men	1320

Recount of Ballots Cast Monday March 6, 1911, for Linwood H. Gove and Hervey H. Patten for Commissioners of Public Works

PETITION

To the Registrars of Voters and Town Clerk, Stoneham, Mass.

We, the subscribers, legal voters of Stoneham, Mass., represent that we have reason to believe and do believe that the returns of the election officers of said town of the votes cast at the election on Monday March 6, 1911, for Commissioner of Public Works are erroneous in this respect;

that Hervey H. Patten was credited with more, and Linwood L. Gove with less votes than were actually cast for them; and we believe a recount of the votes cast in said town will affect the election of one or more candidates at such election. We therefore ask that the votes cast for said Patten and Gove, candidates for Commissioners of Public Works as aforesaid be recounted.

Herbert H. Richardson, 80 Central St. Stoneham, Mass.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Stoneham, March 8, 1911.

Then personally appeared James A. Jones one of the above subscribers, and made oath that the above statement by him subscribed is true, to the best of his knowledge, information and belief, before me.

HERBERT H. RICHARDSON,
Justice of the Peace.

Filed March 8, 1911, 10.30 A. M.
By JAMES A. JONES.
Attest, GEORGE N. GREEN, Town Clerk.

Certificate of Recount

Stoneham, Mass., March 9, 1911.

To the Town Clerk,
Stoneham, Mass.

Dear Sir:—On petition of Herbert H. Richardson and others praying for a recount of the ballots cast Monday March 6, 1911, for Hervey H. Patten and Linwood L. Gove for Commissioner of Public Works, after due notice to all parties interested, the Board of Registrars of Voters met in the Selectmen's office, Thursday, March 9, 1911, at 8 o'clock in the evening for the purpose set forth in the petition; Linwood L. Gove with James A. Jones as agent, and Hervey H. Patten with Clayton B. Kinsley as agent were present; the blocks of ballots were delivered to the Board, opened and counted with the following result:—

Linwood L. Gove had Six hundred and seven, 607
Hervey H. Patten had Six hundred and fourteen, 614

And the election of Hervey H. Patten as declared at the meeting, Monday, March 6. 1911, stands.

FRED E. KERNS,
WILLIAM GARSIDE,
GEORGE N. GREEN, Town Clerk,
Registrars of Voters.

Adjourned Town Meeting

Tuesday, March 14, 1911.

Meeting called to order by Moderator John W. Cawley.

ARTICLE 3

Chose, Clayton B. Kinsley, George R. Barnstead and Arthur N. Newhall, Fence Viewers for the year ensuing.

Chose, Charles W. Messer and Frank H. Reynolds, Undertakers for the year ensuing.

Voted, That the appointment of Pound Keeper, Field Drivers, Measurers of Leather, Measurers of Wood and Bark and Weighers of Coal and Hay be left with the Selectmen.

ARTICLE 4

Voted, To accept the reports of town officers and committees as printed, dated December 31, 1910.

Report of Committee on Playground.

Stoneham, Mass., March 14, 1911.

To the Voters of Stoneham:

The Playground Committee appointed at the annual town meeting in March, 1910, respectfully submit the following report:

First. They have carried out your instructions and have examined with care every piece of land that is suitable and available for playground purposes within the town limits.

Secondly. They unanimously recommend that the town purchase for park and playground purposes, a tract of land situated at the corner of Marble street and Parkway, and containing approximately fourteen and one-fourth acres; said tract being now owned by Wesley N. Gray and others, and being the one specifically mentioned in Article 35 of the town warrant.

(Signed) CHARLES J. EMERSON,
CHARLES A. OWEN,
EDGAR L. PATCH,
CHARLES F. BUCK,
Committee on Playground.

Voted, To accept the report of the Committee on Playground.

Voted, That town officers furnish and have printed in the annual town reports, inventories of all town property under their control.

ARTICLE 6

Voted, To appropriate the unexpended balance from the year 1910, amounting to the sum of fourteen dollars and fifty cents, and to raise and appropriate the sum of four hundred dollars for repairs and decorations of Soldiers' graves the ensuing year.

ARTICLES 7 and 8

Voted, To appropriate tre receipts, and to raise and appropriate the sum of seventeen hundred dollars, and to appropriate the dog tax receipts, for the support of the Free Public Library and reading room, the ensuing year.

ARTICLE 20

To see if the town will ratify the action of the Board of Selectmen in retaining Bates, Nay & Abbott to represent the town on resolve before the Legislature regarding the town's water rights in Spot Pond and lands surrounding the same.

Voted, To refer the subject matter of this atricle to the Selectmen with authority to act as they think best for the interest of the town.

ARTICLE 31

Voted, to appropriate from the unexpended balance from the year 1910, the sum of two hundred and seventy dollars and seventy-nine cents, and to raise and appropriate

the sum of eight hundred dollars for the collection of ashes and garbage the ensuing year.

A motion to reconsider the vote last passed, being tried was declared lost.

ARTICLE 9

Voted, That the Town Treasurer with the approval of the Selectmen, be, and hereby is, authorized to borrow money from time to time, in anticipation of taxes of the present municipal year, to an amount not exceeding in the aggregate one hundred thousand dollars; and to issue a note or notes therefor, payable within one year; any debt or debts incurred under this vote to be paid from the taxes of the present municipal year.

ARTICLE 34

Voted, To appropriate from the unexpended balance from the year 1910, the sum of one hundred sixty-six dollars and sixty cents to pay bills contracted by the committee on playground.

ARTICLE 36

Moved, That the town do purchase the land of Wesley N. Gray at the corner of Marble street and Park road, consisting of about 4 1-10 acres, for a playground, and that the Town Treasurer be authorized with the approval of the Selectmen, to borrow the sum of $5,000 for the purpose of purchasing a lot of land for a public playground, and to issue notes of the town therefor; said notes to be signed by the Town Treasurer, countersigned by a majority of the Selectmen; to be of the denomination of $1,000 each, to be numbered 1 to 5 inclusive, dated May 1, 1911, to bear interest at the rate of 4% per annum, payable semi-annually on May 1st and November 1st of each year, and the principal sum to be payable as follows, viz: $1,000 on May 1, 1912, $1,000 on May 1, 1913, $1,000 on May 1, 1914, $1,000 on May 1, 1915, $1,000 on May 1, 1916.

That the Town Treasurer sell direct, or from time to time, the whole or any part of the playground notes, the issue of which has been authorized, for the highest obtainable price, by giving notice by publication or otherwise, to such customary purchaser of municipal notes as he deems best; to make sealed bids for the whole or any part thereof, the offer of the highest bidder who shall be satisfactory to the Treasurer to be accepted, if he deems best; the right being reserved by him to reject any or all bids; or in the event of the Treasurer not being satisfied with any of said bids, or having rejected the same, to sell at private sale, provided that such securities shall not be sold for less than the par value thereof.

The Moderator ruled that a two-thirds vote in the affirmative was required under the motion, and ordered a count of hands.

The motion being stated and tried, was declared lost.

Voting in the affirmative..... 141

Voting in the negative..... 215

On motion of Leander V. Colahan, it was:

Voted, that the town do purchase the house and land of Georgianna and Williamine Fuller at the corner of Washington and Pomeworth streets, consisting of about nine acres, for playground; that the Town Treasurer be authorized with the approval of the Selectmen to borrow the sum of $6,000 for the purpose of purchasing a lot of land for a public playground, and to issue notes of the town therefor; said notes to be signed by the Town Treasurer, countersigned by a majority of the Selectmen; to be of the denomination of $1,000 each, to be numbered 1 to 6 inclusive, dated May 1, 1911, to bear interest at the rate of 4% per annum, payable semi-annually on May 1st and November 1st of each year, and the said principal sum to be payable as follows, viz: $1,000 on May 1, 1912, $1,000 on May 1, 1913, $1,000 on May 1, 1914, $1,000 on May 1, 1915, $1,000 on May 1, 1916, $1,000 on May 1, 1917.

That the Town Treasurer sell direct, or from time to time, the whole or any part of the playground notes, the issue of which has been authorized, for the highest obtainable price, by giving notice by publication or otherwise, to such customary purchasers of municipal notes as he deems best, to make sealed bids for the whole or any part thereof; the offer of the highest bidder who shall be satisfactory to the Treasurer, to be accepted if he deems best; the right being reserved by him to reject any or all bids; or in the event of the Treasurer not being satisfied with any of said bids, or having rejected the same, to sell at private sale, provided that such securities shall not be sold for less than the par value thereof.

Voting in the affirmative..... 217
Voting in the negative..... 94

A motion was made, to reconsider the vote last passed.

Voted, to adjourn, to meet in Armory Hall, Tuesday, March 21st, 1911, at 7.30 o'clock P.M.

Adjourned Town Meeting.

Tuesday, March 21, 1911.

Meeting called to order by Moderator John W. Cawley.

ARTICLE 35

The motion made at the meeting Tuesday, March 14, "To reconsider the vote to purchase the land and buildings at the corner of Washington and Pomeworth streets for a public playground," being tried was declared lost.

Voting in the affirmative..... 158
Voting in the negative..... 199

ARTICLE 4

Voted, That the Selectmen and Town Treasurer be a committee to carry into effect the vote to purchase land for playground under Article 35.

ARTICLE 36

A motion "To raise and appropriate the sum of $1,000 for the purpose of grading, equipping and improving the playground," being stated and tried, was declared lost.

ARTICLE 66

Voted, That the town do authorize the Commissioners of Public Works to petition the Legislature for authority to issue 10 additional sewer bonds, said bonds to be of the denomination of $1,000 each, to bear interest at a rate not exceeding 4% per annum, and the principal to be paid serially as follows, viz: $5,000 in the year 1929; $5,000 in the year 1930.

ARTICLE 10

Voted, To pay the premium on the bond of the Town Treasurer, and to appropriate the sum of $60 for that purpose, to be paid from the appropriation for miscellaneous expenses.

ARTICLE 11

Voted, To authorize the Collector to use all means of collecting taxes, which the Town Treasurer may use when appointed Collector.

ARTICLE 12

Voted, To grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year when not otherwise engaged.

ARTICLE 13

Voted, To grant the free use of Armory Hall to Leon E. Warren Camp 31, U. S. W. V., five evenings in the coming year when not otherwise engaged.

ARTICLE 14

Voted, To grant the free use of Armory Hall to the

High School Alumni Association one evening in the coming year when not otherwise engaged.

ARTICLE 15

Voted, To grant the free use of Armory Hall to the High School Cadets, two evenings in the coming year when not otherwise engaged.

ARTICLE 16

Voted, To grant the free use of Armory Hall to the Senior class in the High School, one evening in the coming year when not otherwise engaged.

ARTICLE 17

Voted, To grant the free use of Armory Hall to the Stoneham Fire Department, one evening in the coming year when not otherwise engaged.

ARTICLE 18

Voted, That all taxes not exceeding three dollars in amount shall be due and payable on demand. On all taxes exceeding three dollars in amount, one and one-half per cent. discount shall be allowed if paid on or before the tenth day of August; if paid on or before the tenth day of September, one per cent. discount shall be allowed; if paid on or before the tenth day of October, one half of one per cent. discount shall be allowed, and all taxes exceeding three dollars in amount shall be due and payable on the tenth day of November of the current year. On and after November 10th, interest shall be charged on all unpaid taxes at the rate of five per centum per annum. On the fifteenth day fo February following, the Collector shall proceed to collect taxes of all delinquents according to law. Interest and discount shall be reckoned on even dollars.

ARTICLE 19

Voted, To water the following streets the year ensu-

ing: Main street from Marble street to Elm street; Central street from Central square to Pomeworth street; Church street; Common street; Tidd street; Winter street; Montvale avenue from Main street to the westerly line of land formerly of Georgianna Boyce, and Pleasant street from Main street to the easterly line of land of C. M. Boyce & Son.

Voted, That the assessment on abuttors for watering streets as voted be three cents per lineal foot.

ARTICLE 21.

Voted, To appropriate from funds in the hands of the Town Treasurer the sum of four thousand three hundred ten and 56-100 dollars, to pay the taxes illegally assessed the New England Sanitarium in the years 1908 and 1909.

ARTICLE 22

Voted, That the matter of shingling the Armory building be referred to the Selectmen, and to appropriate the unexpended balance from the Armory account of 1910, amounting to $877.39 for that purpose.

ARTICLE 24

Voted, To raise and appropriate the sum of eighteen hundred dollars for maintenance of sewers the ensuing year.

ARTICLE 25

Voted, to raise and appropriate the sum of three hundred dollars for street railings the ensuing year.

ARTICLE 26

A motion "To repair Main street with macadam from Dorr's block to Hancock street at a cost not to exceed $6,000," was made, and being stated and tried, was lost.

Voted, To adjourn to meet in Armory Hall, Tuesday, April 4, 1911, at 7.30 o'clock P.M.

Adjourned Town Meeting.

Tuesday, April 4, 1911.

In the absence of the Moderator, the meeting was called to order by the Town Clerk, who read the following letter:

Boston, Mass., March 25, 1911.

George N. Green,
Town Clerk,
Stoneham, Mass.

Dear Sir:—I beg to advise you that I have been suddenly called to Nevada and that consequently I shall not be able to preside at the town meeting one week from Tuesday. I have asked Mr. Charles A. Owen to take the chair during my absence.

Yours truly,
JOHN W. CAWLEY.

There being no objections to Mr. Owen presiding in the absence of the Moderator, he was sworn by the Town Clerk.

ARTICLE 27

Voted, To raise and appropriate the sum of fifteen hundred dollars to treat Franklin, Marble and Elm streets with tarvia or some other suitable road binder.

ARTICLE 28

To see if the town will vote to revise the water rates of the town, or do anything in relation thereto.

Voted, To refer the subject matter of this article to the Board of Public Works.

ARTICLE 29

Voted, To raise and appropriate the sum of four hundred dollars for the necessary expenses of the Board of Health for the ensuing year.

ARTICLE 30

Voted, To appropriate the unexpended balance from the year 1910, amounting to the sum of two hundred dollars, appropriated under authority of Chapter 49, Revised Laws, in March, 1910, said sum to be at the disposal of the Board of Health to make sewer connections.

ARTICLE 5

Voted, To appropriate from the unexpended balance from the year 1910, the sum of two hundred and thirty-three and 32-100 dollars for the removal of ashes and garbage, contracted for from January 1, 1911, to May 1, 1911.

Voted, To appropriate from the unexpended balance from the year 1910, the sum of two hundred and fifty dollars to pay the amount due the contractor for macadamizing Elm street.

ARTICLE 33

Voted, To refer the repairing of the public drain through land of Martin Mullaly at the corner of Main and Pleasant streets to the Board of Public Works.

ARTICLE 37

Lay Out of Wright Street Court and Lincoln Street Extension.

We, the subscribers, Selectmen of the Town of Stoneham, after giving notice according to law to all persons interested, have laid out as a public town way, the private ways now known as Wright street court and Lincoln street extension, as follows:

Beginning on the westerly side of Wright street at the corner of said Wright street court and land of Michael S. Sullivan, thence the line runs N 71 degrees W by land of Michael S. Sullivan, Thomas Murray and heirs of Charles H. Brown, 247.6 feet to the junction of said Wright street

court and Lincoln street extension; thence S 12 degrees 50' W by land of heirs of Charles H. Brown and Mary O. Hersam 335.2 feet to the northerly side line of Maple street; the above described lines are the southerly side line of said Wright street court, and the easterly side line of the said Lincoln street extension; the northerly side line of said proposed street now known as Wright street court is parallel to and 25 feet distant from the above described southerly side line; and the westerly side line of said Lincoln street extension is parallel to and 41¼ feet distant from the above described easterly side line of said Lincoln street extension. The above description to conform to a plan of said proposed street made by W. B. Jones, dated March, 1898, which is to be considered a part of this report.

No damages having been claimed, we have awarded none.

When this report is accepted and adopted by the town, the above described street to be forever known as a public town way.

(Signed) GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

Stoneham, Mass., February 4, 1911.

Voted, To accept Wright street court and Lincoln street extension as a public town way, as laid out by the Selectmen.

Voted, To raise and appropriate the sum of seven hundred dollars for the construction of Wright street court and Lincoln street extension.

A motion "To reconsider the foregoing votes" being tried, was declared lost.

ARTICLE 38

Lay-Out of Curve Road.

We, the subscribers, Selectmen of Stoneham, after giving notice according to law to all persons interested, have laid out as a public town way the following proposed street:

Beginning on the northerly side of North street on land of Edwin M. Smith, thirty (30) feet westerly from land of Annie E. Hedberg; thence the line runs N 6 degrees E two hundred twenty 5-100 (220.5) feet; thence by a curve to the right, with a radius of six hundred sixty-six (666) feet, one hundred sixty-nine (169) feet; thence N 20 degrees 51' E one hundred and eight (108) feet; thence by a curve to the left, with a radius of ninety-two (92) feet, one hundred and eleven 5-10 (111.5) feet; thence N 70 degrees 45' W sixty-three (63) feet; thence 73 degrees 35' W forty-three (43) feet; thence by a curve to the left, with a radius of thirty-four and 5-10 (34.5) feet, forty-four and 25-100 (44.25) feet; thence S 2 degrees 55' W one hundred and twenty (120) feet; thence S 29 degrees 30' W eighty-eight (88) feet; thence by a curved line to the left with a radius of one hundred ninety-four 5-10 (194.5) feet, ninety-two and 5-10 (92.5) feet; thence S 3 degrees 45' W eighty-two and 5-10 (82.5) feet; then S 29 degrees 15' W sixty-seven and 5-10 (67.5) feet; then by a curved line to the left, with a radius of eighty-seven and 5-10 (87.5) feet, seventy-seven and 12-100 (77.12) feet; then S 30 degrees 15' E fifty-seven and 75-100 (57.75) feet to the northerly side line of North street, one hundred and one (101) feet westerly from the point of beginning. Said street is to lie on the right side of the above described line, and is to be thirty (30) feet wide, except from the northerly end of the first curve, the easterly line runs in a straight line to the corner of land of John Steele's heirs; from there it runs to a point opposite and thirty

(30) feet distant from the westerly end of the second curve; said description to conform to a plan of Smith Park, made by James A. Bancroft, dated August, 1910, which is to be considered a part of this report.

When this report is accepted and adopted by the town, the above described street is to be forever known as a public town way.

GEORGE R. BARNSTEAD,
CLAYTON B. KINSLEY,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

Stoneham, Mass., December 10, 1910.

Voted, To accept the street leading from North street over land of Edward M. Smith, as laid out by the Selectmen, and designated as Curve road.

ARTICLE 39

Return of the County Commissioners on Relocation of Hill Street.

Commonwealth of Massachusetts.
Middlesex, SS.

At a meeting of the County Commissioners for the County of Middlesex, holden at Lowell, within and for said County, on the first Tuesday of September, in the year of our Lord one thousand nine hundred and ten.

The inhabitants of Stoneham in said County, by their petition to said Commissioners, among other matters, pray that Hill street in said Stoneham from the town line between Woburn and Stoneham to its intersection with Marble street in said Stoneham, may be relocated, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge, within and for said County, on the first Tuesday of January A. D.,

1910, when and where said Commissioners ordered notice given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of hearing the parties and viewing the premises, as by their order of notice on file and of record will more fully appear. And at adjourned meeting said relocation was adjudged to be of common convenience and necessity. And thence said petition has been continued to this time.

And now the said Commissioners make return of their proceedings in the premises, as follows: Said Commissioners having given notice as the law directs, met at the Selectmen's room in said Stoneham, on the twenty-first day of April in the year nineteen hundred and ten, when and where the parties appeared to wit, the petitioners by J. A. Stockwell, and no person appeared to object.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate said highway, and the following description is a true description of said highway as hereby relocated.

The northeasterly line begins at a stone bound in the present northerly line of Marble street, thence on a curve of 337.24 feet radius bearing to the right 130.81 feet to a stone bound, thence on a curve of 637.61 feet radius bearing to the left 83.65 feet to an iron pin, thence on a curve of 1,568.50 feet radius bearing to the right 158.78 feet to a stone bound, thence on a curve of 377.45 feet radius bearing to the left 199.39 feet to an iron pipe, thence on a curve of 340.00 feet radius bearing to the right 170.46 feet to a stone bound, thence N 51 degrees 32' 30" W 125.63 feet to a stone bound, thence on a curve of 830.72 feet radius bearing to the left 102.33 feet to a stone bound, thence on a curve of 242.32 feet radius bearing to the right 157.29 feet to a stone bound, thence N 21 degrees 24' 30" W 55.43 feet to a stone bound, thence on a curve of 221.95 feet radius bearing to the right 72.73 feet to a stone bound,

thence N 2 degrees 38' W 227.74 feet to a stone bound, thence on a curve of 198.01 feet radius bearing to the left 144.61 feet to a drill hole in a stone monument marking the line between said Stoneham and Woburn.

The southwesterly line begins at a stone bound in the present northerly line of Marble street, said stone bound being distant westerly about 160 feet from the stone bound at the beginning of the above described northeasterly line, thence from said stone bound the southwesterly line bears to the left with a curve of 41.24 feet radius, 90.66 feet to a point opposite and 40 feet distant from the stone bound in said northeasterly line, which is at the terminus of a curve of 337.24 feet radius and the beginning of a curve of 637.61 feet radius, thence from said point the southwesterly line is parallel and 40 feet distant from said northeasterly line to its terminus at the town line between said Stoneham and Woburn.

The above courses are reckoned from the magnetic meridian and the description is intended to conform to a plan of said highway dated 1910, on which the above described lines are shown in red.

And said Commissioners determine and order that all walls and fences serving to mark the old lines of said highway be removed from within the location as above described before the first day of January, 1912.

Before said date, 18 feet of the width thereof shall be properly crowned, drained and graded so as to be safe for travel, and at the entrance at Marble street the curves of the approach shall conform approximately to the curves of the lines as above established and as shown by the plan. The whole to be done in a workmanlike manner to the acceptance of the Commissioners.

The Commissioners having considered the question of damages, find that no damages are sustained, and none are awarded.

And said Commissioners assess upon the County the

sum of two hundred dollars on account of said relocation, which sum shall be paid out of the County Treasury into the Town Treasury of Stoneham, when all claims by reason of said relocation have been settled by said town and said street has been completed to the acceptance of the Commissioners. All other expenses of this relocation, other than the expenses of hearings and surveying, are assessed upon said Town of Stoneham, and said town shall pay all damages, costs and expenses which may accrue because of legal process on account of said relocation.

And said Commissioners declare the way as thus relocated a public highway.

And said Commissioners order that said return be accepted and recorded, and that all the matters therein ordered be done and performed accordingly.

In witness wherof, we, the said County Commissioners, have hereunto set our hands this thirtieth day of December in the year of our Lord one thousand nine hundred and ten.

CHARLES H. RICHARDSON,
LEVI S. GOULD,
CHESTER B. WILLIAMS.

A true copy of record,

Attest:

WILLIAM C. DILLINGHAM,
Assistant Clerk.

Voted, To accept the order of relocation of Hill street as returned by the County Commissioners, and to raise and appropriate the sum of five hundred dollars for the construction of said street.

ARTICLE 40

To see if the town will vote to take or purchase for school purposes, a lot of land on or near Franklin street, near the Melrose-Stoneham line; make an appropriation for the same, or do anything in relation thereto.

Voted, That the subject matter of this article be referred to a committee consisting of the School Committee and three others to be appointed by the chair, to report to the town.

Under the authority of the foregoing vote, the chair appointed the following: Ira B. Forbes, James A. Jones, Patrick J. Regan.

Voted, to add Arthur B. Webber and Leander V. Colahan to the committee.

ARTICLE 42

Voted, To lay a water main in and through Broadway from the end of the main therein near the house of Mrs. Mary Doyle, easterly for a distance of 640 feet to a point near land of Imogene H. Hodgman, at an estimated cost of $830 when said Hodgman erects house on said land to cost $4,000 or more as agreed.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of $1,000 the issue of which has been authorized by the town, and to appropriate the proceeds from the sale of said bond, to lay a water main in and through Broadway a distance of 64 feet, as voted.

ARTICLE 4

Voted, That the Moderator appoint a committee of nine to serve as the Finance and Advisory Committee for the year ensuing.

Under the authority of the above vote, the Moderator appointed as that committee: Hon. William B. Stevens, William B. Brackett, Edgar L. Patch, Fred E. Nickerson, John Walsh, Charles A. Bailey, Bernard H. Cogan, Charles Baldwin and Clarence W. Houghton.

Voted, To ratify the appointment of the Finance and Advisory Committee as made by the Moderator.

ARTICLE 53

Voted, To concrete the sidewalk on the westerly side of Wright street, from Hersam street southerly to Maple street, under the provisions of Chapter 49, Section 43, of the Revised Laws, and to raise and appropriate the sum of one hundred and twelve dollars for that purpose.

ARTICLE 43

Voted, To lay a water main in and through Keene street, from Cowdrey street southerly to Washington street.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of $1,000 the issue of which has been authorized by the town, and to appropriate the proceeds from the sale of said bond to lay a water main in and through Keene street as voted.

ARTICLE 45

Voted, To lay a water main in and through Main street, from the main therein near Broadway, northerly to a point near the house of Susan E. Hanson.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of $1,000, the issue of which has been authorized by the town, and to appropriate the proceeds from the sale of said bond, to lay the water main in and through Main street as voted.

ARTICLE 46

Voted, To construct a sewer in and through Perkins street, from Rockland street southerly to a point near the residence on Mary Forest, a distance of four hundred and forty-five feet.

Voted, To authorize the Town Treasurer to sell one sewer bond of the denomination of $1,000, the issue of which has been authorized by the town, and to appropriate the sum received from the sale of said bond for the con-

struction of the sewer in and through Perkins street, a distance of 445 feet southerly from Rockland street to a point near the residence of Mary Forest.

ARTICLE 49

Voted, To raise and appropriate the sum of twelve hundred dollars for repairs to concrete walks and crossings the year ensuing.

ARTICLE 51

Voted, to concrete the sidewalk on the southerly side of Marble street abutting land of Atwood C. Souther, a distance of 103 feet, under the provisions of Chapter 49, Section 43, of the Revised Laws, and to raise and appropriate the sum of seventeen dollars for that purpose.

ARTICLE 52

Voted, to concrete the sidewalk and set edgestones thereon, on the northerly side of Pleasant street, from Main street easterly to Central street, under the provisions of Chapter 49, Section 43, of the Revised Laws.

Voted, To raise and appropriate the sum of four hundred dollars to concrete the sidewalk and set edgestones thereon on the northerly side of Pleasant street as voted.

ARTICLE 54

Voted, to concrete the sidewalk on the westerly side of Wright street, from the end of the concrete therein at land of D. W. Cloutman, northerly to the concrete therein near the land of Willis Beard, under the provisions of Chapter 49, Section 43, of the Revised Laws, and to raise and appropriate the sum of seventy-seven dollars for the same.

ARTICLE 55

Voted, To concrete the sidewalk on the westerly side

of Pond street, from Hancock street southerly to the southerly line of land of Melina M. Kollock, under the provisions of Chapter 49, Section 43, of the Revised Laws, and to raise and appropriate the sum of forty-one dollars for that purpose.

ARTICLE 56

Voted, To construct a sidewalk on Eustice street, from Spring street to Bow street, and to raise and appropriate the sum of two hundred dollars for the same.

ARTICLE 62

Voted, To refer the installation of incandescent electric lights on the following streets, to the Selectmen: One on Elm street near the house of Henry Lamb; two on Main street between Broadway and George street; one on Middle street near Main street; one on William street near the house of Mrs. Jennie Stevens; one on Wright street court and Lincoln street extension; one on Wright street near corner of Hancock street; one on Franklin street corner of Spencer street; one on North street near the house of Wallace W. Richardson; two on West street.

ARTICLE 63

Voted, To instruct the Board of Selectmen to request the Boston & Northern Street Railway Company to install and maintain a waiting room with lavatory privileges for men, women and children, in Central square.

ARTICLE 64

Voted, To remove as many of the trees in the northerly side of Elm street easterly from the entrance to the Almshouse, as in the judgment of the Tree Warden should be removed.

ARTICLE 65

Moved, That the town authorize and instruct the Se-

lectmen to proceed at once and do everything necessary to repeal Chapter 263 of the Laws of 1902 and Chapter 305 of the Laws of 1905, relating to the Board of Public Works of the Town of Stoneham.

Voted, To adjourn to meet in Armory Hall, Tuesday, April 25, 1911, at 7.30 o'clock in the evening.

Adjourned Town Meeting

Tuesday, April 25, 1911.

Meeting called to order by the Moderator.

Voted, To indefinitely postpone the subject of repealing the laws relating to the Board of Public Works.

ARTICLE 4

Winthrop C. Whitcher for the committee on new school house on Franklin street, read the report of the committee.

Voted, To recommit the report to the committee with instructions to report at a subsequent meeting.

ARTICLE 64

Voted, To raise and appropriate the sum of forty dollars to remove the trees on the northerly side of Elm street easterly from the entrance to the Almshouse.

ARTICLE 42

Voted, To instruct the Board of Public Works to lay 100 feet of the water main in and through Broadway from the present main therein, easterly to a point near the house of Nettie Lahey, at once.

ARTICLE 26

A motion made to macadamize Main street from Mar-

ble street to Elm street being tried, was declared lost; 43 voting in the affirmative and 51 in the negative.

ARTICLE 5

Voted, To appropriate part of the receipts received from rent of house on playground, to erect fence around house and a garden lot for tenant.

Voted, To adjourn.

Town Meeting

Wednesday, May 31, 1911.

Charles A. Owen elected Moderator and sworn by the Town Clerk.

ARTICLE 2

Voted, That the Town Treasurer be authorized to borrow the sum of ten thousand dollars for the purpose set forth in Chapter 335 of the Acts of the year 1911, by the issue of ten bonds of $1,000 each, said bonds to be denominated on the face thereof "Stoneham Sewer Loan, Act of 1911" to be numbered 141 to 150 inclusive; to be dated June 1st, 1911, and payable as follows: $5,000 on June 1st, 1929. $5,000 on June 1st, 1930; said bonds shall bear interest at the rate of not more than 4% per annum, payable semi-annually on June and December 1st, and shall be signed by the Treasurer of the town and countersigned by the Board of Public Works.

Voted, That the Town Treasurer sell direct from time to time, the whole or any part of the ten sewer bonds, the issue of which has been authorized, for the highest obtainable price, by giving notice by publication or otherwise to such customary purchasers of municipal bonds as he deems best, to make sealed bids for the whole or any part there-

of, the offer of the highest bidder who shall be satisfactory to the Treasurer to be accepted if the Treasurer deems best the right being reserved by him to reject any or all bids; or in the event of the Treasurer not being satisfied with any of said bids, or having rejected the same, to sell the bonds at private sale, provided, that such securities shall not be sold for less than the par value thereof.

ARTICLE 3

Voted, To construct a sewer in and through Main street from Marble street southerly for a distance of 1440 feet.

Voted, To authorize the Town Treasurer to sell four sewer bonds of the denomination of $1000 each, the issue of which has been authorized by the town, and to appropriate the sum of $3500 of the proceeds of said bonds for the construction of the sewer in Main street from Marble street southerly for a distance of 1440 feet.

ARTICLE 4

Voted, To construct a sewer in and through Isabella street from Columbus avenue to the end of Isabella street and from Isabella street in and through Ferdinand street easterly to a point near the residence of Oscar Ostberg.

Voted, To authorize the Town Treasurer to sell two sewer bonds of the denomination of $1000 each, the issue of which has been authorized by the town, and to appropriate the sum of $2045 of the proceeds of said bonds for the construction of the sewer in and through Isabella and Ferdinand streets.

ARTICLE 5

Voted, To consuct a sewer in and through Avon street, from a point 265 feet southerly from Myrtle street northerly to said Myrtle street; then in and through Myrtle

street westerly a distance of 369 feet to Washington street; thence in and through Washington street northerly a distance of 103 feet to the manhole at the junction of Pomeworth street.

Voted, To authorize the Town Treasurer to sell one sewer bond of the denomination of $1000 the issue of which has been authorized by the town, and to appropriate the sum of $1000 of the proceeds of said bond for the construction of the sewer in and through Avon, Myrtle and Washington streets.

ARTICLE 6

Voted, To lay a water main in and through Curve Road from North street, northerly, westerly and southerly for a distance of 900 feet.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of $1000 the issue of which has been authorized by the town, and to appropriate the sum of $1,000 of the proceeds of said bond, and to appropriate the sum of $100 from receipts for water, for the water main in and through Curve Road.

ARTICLE 7

Voted, To appropriate the sum of $500 for repairs to concrete walks in addition to the amount voted at the annual March meeting.

ARTICLE 8

Voted, To authorize the Boad of Selectmen to retain counsel for the town for the present year, and to appropriate the sum of $200 for that purpose.

ARTICLE 10

Report of Committee on Schoolhouse on Franklin street.

Your committee met in the afternoon of April 12th and carefully considered the available lots of land and especially the most desirable location for a schoolhouse that would accommodate the children living near the Stoneham-Melrose line, and at the same time relieve the East, South and Center schools. Later in the P. M. the committee walked over Franklin street to Plaza ave, and viewed the lots in question, viz:—The Higgins lot on the northerly side of Franklin street and nearly opposite Emerald court; the Arnold, Crow and Cody lots adjourning each other and situate on the southerly side of Franklin street, and easterly from Emerald court; land owned by the town and known as the "Stone crusher lot;" a lot of land belonging to O. S. Outram on the northerly side of Franklin street and westerly from his barn; another lot of land belonging to Mr. Outram on the southerly side of Franklin street, and westerly from Plaza ave., and the Mills Lot formerly used as a rifle range.

In the evening of April 13th, the committee met and further considered the various lots herein mentioned, and your committee recommend the lands of Arnold and Crow on the southerly side of Franklin street, as the most desirable for the location of a school building, and the committee further recommend that the town do purchase this land if it can be obtained at a reasonable figure.

These two lots would give a frontage of about 130 feet and in depth of about 230 feet.

This lot was selected principally for the reason that it is situate at a point which is about equal distance from the Melrose-Stoneham line and points near the corner of Franklin and Summer streets.

At the meeting of the committee on April 13th, the following gentlemen: J. A. Jones, L. V. Colahan and Ira B. Forbes were chosen to ascertain the price at which these tracts of land could be purchased, and found that fourteen hundred dollars would buy all the land: Arnold,

39198 ft., $1000; Crow, 5000 ft., $300; Cody, 2500 ft., $100.

Respectfully submitted,
W. C. WHITCHER,
LEANDER V. COLAHAN,
ARTHUR B. WEBBER,
ALBERT S. HOVEY,
IRA B. FORBES,
W. A. SMITH,
Committee.

Voted, To accept the report of the committee.

ARTICLE 13

Voted, To repair William street from Main street westerly to the Woburn-Stoneham line, and to appropriate the sum of one thousand dollars for that purpose.

ARTICLE 14

Voted, To grade and concrete the sidewalk on the southerly side of Franklin street from Harrison street westerly to the easterly line of land of James Astell a distance of 320 feet, under the provisions of Chap. 49, Sec. 43, of the Revised Laws, and to appropriate the sum of seventy-six dollars for that purpose.

ARTICLE 15

Voted, To grade and concrete the sidewalk on the westerly side of Harrison street from Franklin street southerly for a distance of 195 feet to land of Herman S. Nutting, under the provisions of Chap. 49, Sec. 43, of the Revised Laws, and to appropriate the sum of forty dollars for that purpose.

ARTICLE 16

Voted, To discontinue the construction of 145 feet of the sewer in and through Perkins street, said 145 feet being

the southerly end of the sewer voted at the annual meeting in March of the current year.

ARTICLE 17

Voted, To lay a water main in and through Steele street from the main in Broadway southerly for a distance of 280 feet from the junction of said Steele street with Broadway.

Voted, To authorize the Town Treasurer to sell one water bond of the denomination of $1000 the issue of which has been authorized by the town, and to appropriate the sum of $450 from the proceeds of said bond for the water main in and through Steele street.

ARTICLE 10

Voted, That the town do appropriate the sum of fourteen hundred dollars for the following purposes:—To purchase the following bounded lots, viz:—"Arnold Lot" bounded on North by Franklin street; on East by a private way; on the South by land of Cody and Purcell, on the West by Emerald court, on the North again by land of Cody and Mahoney, containing 39198 square feet more or less. The "Crowe Lot" bounded north by Franklin street; East by land of Arnold; South by land of Cody, and West by land of Cody, containing 5000 square feet more or less; The "Cody Lot" bounded by land of Crowe on the North; East and South by land of Arnold, and West by land of Cody, containing 2500 square feet, more or less.

Voting Yes, 38. Voting No, 14.

ARTICLE 20

Voted, To repair retaining wall at the Old Burying Ground on Oriental Court, under the supervision of the Trustees of Lindenwood Cemetery, and to appropriate the sum of twenty-five dollars for that purpose.

ARTICLE 21

Voted, To refer the matter of cleaning out the public drain southerly from Franklin street to Doleful Pond through Meetinghouse swamp, so called, to the Selectmen.

Voted, To adjourn.

Town Meeting

Herbert H. Richardson elected Moderator and sworn by the Assistant Town Clerk.

ARTICLE 2

Voted, To reconsider the vote passed at the adjourned meeting held March 21, 1911, whereby it was voted, "That all taxes not exceeding three dollars in amount shall be due and payable on demand. On all taxes exceeding three dollars in amount, one and one-half per cent discount shall be allowed if paid on or before the tenth day of August; if paid on or before the tenth day of September, one per cent discount shall be allowed; if paid on or before the tenth day of October, one-half of one per cent discount shall be allowed; and all taxes exceeding three dollars in amount shall be due and payable on the tenth day of November of the current year. On and after November tenth, interest shall be charged on all unpaid taxes at the rate of five per centum per annum. On the fifteenth day of February following, the Collector shall proceed to collect taxes of all delinquents according to law. Interest ad discount shall be reckoned on even dollars."

Voted, That all taxes not exceeding three dollars in amount shall be due and payable on demand. On all taxes exceeding three dollars in amount, one and one-half per cent discount shall be allowed if paid on or before the tenth

day of September; if paid on on before the tenth day of October, one per cent. discount shall be allowed; if paid on or before the tenth day of November, one-half of one per cent. discount shall be allowed; and all taxes exceeding three dollars in amount shall be due and payable on the tenth day of December of the current year. On and after December tenth interest shall be charged on all unpaid taxes at the rate of five percentum per annum. On the fifteenth day of February following, the Collector shall proceed to collect taxes of all delinquents according to law. Interest and discount shall be reckoned on even dollars.

Voted, To adjourn.

PRIMARIES

Tuesday, September 26, 1911.

The meeting was called to order by Clayton B. Kinsley, Chairman of the Selectmen, and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen to serve at this meeting were sworn by the Town Clerk and assigned to duty as follows:—

BALLOT CLERKS

Charles A. Stone, Republican, James H. Fitzpatrick, Democrat.

TELLERS

Republican, Frank E. Parks, Charles V. Blackburn, Clarence S. Lynde; Democrats, Leon E. Blodgett, Alfred T. Peacock, James E. Fulton.

The packages of ballots were delivered to the Ballot Clerks who receipted for the same; the ballot box opened, inspected, the dial set at O, locked and the keys given in charge of Constable James J. Scally; after which the polls were declared open.

The Chairman appointed as additional Tellers to assort and count the ballots, the following:—Republicans, C. Frank Munger, James H. Hibbs, Luther Hill, Howard W. Quinby, Charles E. Cloutman, Joseph E. McGuire; Democrats, William J. Finnegan, Francis S. Desmond, Lawrence E. Doucett, James H. Halpin, John J. McLaughlin, Daniel P. Hurld, all of whom were sworn by the Town Clerk.

At 9 o'clock in the evening the polls were declared closed, at which time the ballot box registered 1026 as ascertained by the Town Clerk.

Three "Holt" counting apparatus were used in counting the ballots, two Republican and two Democrat Tellers assigned to each.

The check-list at the gate contained the names of 962 persons checked as having received ballots, declaring themselves as follows:

Republicans	898
Democrats	62
Democratic Progressive	2

The check-list at the ballot box had the names of 962 persons checked as having voted, as follows:

Republican	898
Democrats	62
Democratic Progressive	2

The number of ballots taken from the ballot box as counted by the Chairman was 962 as follows:—

Republican	898
Democrats	62
Democratic Progressive	2

All the ballots cast by Republicans having been assorted in accordance with the law, the blocks of ballots sealed, and the tally sheets signed, the votes tabulated and the total tally sheet signed by the presiding officer, public declaration of the same was made as follows:

All requirements of law having been complied with in assorting, counting, tabulating and declaring the result of the balloting, it was

Voted, To adjourn.

Town Meeting

Friday October 27, 1911.

Charles A. Owen elected Moderator.

ARTICLE 11

Voted, To construct a sewer with an underdrain in and through Washington street from Pomeworth street northerly to Tremont street.

Voted, To authorize the Town Treasurer to sell one

sewer bond of the denomination of $1000 the issue of which has been authorized by the town, and to appropriate the sum received from the sale of said bond, and also appropriate unexpended balances from construction of other sewers during the present year, for the construction of the sewer in and through Washington street from Pomeworth street northerly to Tremont street.

ARTICLE 8

Layout of Capen Street

We, the subscribers, Selectmen of the town of Stoneham, after giving notice according to law to all persons interested, have laid out as a public town way the following described proposed street:

Beginning at a point in the northerly side line of Pomeworth street at its intersection with the easterly side line of a private way known as Capen street, said point being three hundred sixty-two and twenty-one one hundredths (362.21) feet westerly from the westerly side line of Washington street; thence the line runs northerly two hundred twenty-two and sixty-five one hundredths (222.65) feet to its terminus at the northerly side line of land of Simon C. Fuller.

Said street is to lie on the left or westerly side of the above described line and to be forty (40) feet in width.

The above description to conform to a plan of same made and drawn by William B. Jones, C. E., and dated September 1911.

When this report is accepted and adopted by the town, the above described street to be forever known as a public town way.

CLAYTON B. KINSLEY,
GEO. R. BARNSTEAD,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

Stoneham, Mass., September 23, 1911.

Voted, To accept Capen street as laid out by the Selectmen.

Voted, To appropriate from funds in the hands of the Town Treasurer the sum of two hundred and fifty ($250) dollars for the construction of Capen street as laid out by the Selectmen.

ARTICLE 9

To see if the town will vote to lay water mains in and through Brackett avenue, Norval avenue, Stonecroft avenue, Vernon avenue, Garden road and Capen street; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

Voted, That the subject matter of this article, excepting that part referring to Capen street, be indefinitely postponed.

Voted, To lay a water main in and through Capen street.

Voted, To appropriate from receipts for water now in the hands of the Town Treasurer, the sum of three hundred and seventeen ($317) dollars for the water main in and through Capen street.

ARTICLE 10

Voted, To lay a water main in and through Lincoln street extension from Maple street northerly to connect with the main in Wright street court.

Voted, To appropriate from receipts from water now in the hands of the Town Treasurer the sum of three hundred and fifty ($350) dollars for the water main in and through Lincoln street extension.

ARTICLE 12

Voted, To appropriate from funds in the hands of the Town Treasurer, the unexpended balance from appropri-

ation for Playground Committee amounting to $16.60; the receipts from sale of fence around ball field amounting to $47.26, the receipts from rent of house now in Town Treasurer's hands amounting to $48.00, the receipts from rent of house to Dec. 31, 1911, and from funds in the hands of the Town Treasurer the sum of $380.

Voting in the affirmative 41. Voting in the negative 33.

ARTICLE 13

Voted, To grant to the Stoneham Board of Trade, the free use of town offices for committee meetings; also the free use of Armory Hall two evenings the present year when not otherwise engaged.

ARTICLE 2

Hon. William B. Stevens offered his resignation as a member of the Finance Committee, and nominated Charles F. Buck to fill the vacancy.

Voted, That Charles F. Buck be chosen a member of the Finance Committee to fill vacancy caused by the resignation of Hon. William B. Stevens.

Voted, To adjourn.

Town Meeting

Tuesday, November 7, 1911.

The meeting was called to order by Selectman George R. Barnstead, and the warrant read by the Town Clerk.

The Tellers appointed by the Selectmen as required by law, were sworn by the Town Clerk and assigned to duty as follows:—Ballot Clerks—Republican, Charles A. Stone, Frank E. Parks; Democrats, Leon E. Blodgett, Charles P. Brawley. Tellers—Clarence S. Lynde, Albert N. Aldrich, James H. Fitzpatrick, Alfred T. Peacock.

A package said to contain 2000 official ballots was delivered to the Ballot Clerks, and a receipt taken for the same, the ballot box opened, inspected, the dial set at O, locked and the keys given in charge of Constable Sumner H. Green; after which the polls were declared open.

Voted, To close the polls at four o'clock in the afternoon.

By unanimous consent of the chairman and Town Clerk, at one o'clock in the afternoon the ballot box was opened, and ballots taken therefrom for the purpose of counting.

The chairman appointed the following additional Tellers who were sworn by the Town Clerk:

Republicans: William H. Richardson, George A. Hersam, Robert H. Sullivan, Horace E. Moser, Charles V. Blackburn, George W. Perry; Democrats: William J. Finnegan, Patrick Halpin, John F. Bresnahan, Edward S. Hynes, James E. Fulton, Edward S. McDonnell.

Three "Holt Counting Apparatus" were used in counting the ballots; two Republican and two Democratic Tellers assigned to each.

At four o'clock in the afternoon in accordance with the vote previously taken, the chairman declared the polls closed, at which time the ballot box registered 1335 as ascertained by the Town Clerk.

The check list at the gate had the names of 1333 persons checked as having received ballots.

The check list at the ballot box had the names of 1333 persons checked as having voted.

The number of ballots given out by the Ballot Clerks was 1333.

The number of ballots not given out and returned to the Town Clerk was 667.

The number of ballots taken from the ballot box as counted by the chairman was 1333.

All the ballots cast having been assorted and counted by the Tellers appointed for that purpose, and the same

tabulated and proved, declaration of the same was made as follows:—

Report of the

School Committee

To the Citizens of Stoneham:

The School Committee herewith submits its annual report for the year ending December 31st, 1911.

The result of the work in the schools for the year just passed has been very satisfactory notwithstanding there have been a number of changes in the teaching force.

With few exceptions the work has been conducted along the same course as in previous years.

Especial attention has been given to manual training from the lower grades to and including the 9th grade; this has been a subject of great interest and profit to the pupil.

At the opening of school in September it was found necessary to purchase two additional typewriters for use in the High School course in typewriting and stenography.

This course is one of great value to the pupils and from observation each pupil is exerting every effort to become proficient.

The committee has been unable to make much needed repairs to the outside of the school buildings on account of insufficient funds; this should be done this year.

The Dean, North, South and East buildings should be painted at the earliest opportunity and at the last three named, quite a number of window blinds have been destroyed which should be replaced for protection to the windows during vacations.

The Dean building should have new floors in several of the rooms and halls and should be painted inside, since

in its present condition it is decidedly unsanitary. It is certainly false economy to longer delay these repairs.

The walls and ceilings in the High School building and especially the Assembly Hall badly need a coat of tint as they have been very much soiled by constant use.

Should any money be voted by the Town to cover any of the repairs above mentioned the Committee would suggest that it be as a special appropriation.

It was considered best at the opening of school in September to employ a male teacher in the High School and the Committee secured Mr. Edmund W. Ogden for the position.

The results have amply justified the additional expense.

For a further and detailed report of the work in the schools we refer you to the reports of the Special Teachers.

For the support of the schools for the ensuing year the Committee recommend an appropriation of $37000, and for medical inspection in the schools $150.

FINANCIAL STATEMENT

Appropriation	$37,000.00
Rec'd. from sale of books, etc.....	28.47
Rec'd. tuition of State wards.....	265.50

East "	8,000.	150.
	$122,000.	$4,150

Respectfully submitted,

W. C. WHITCHER,
A. S. HOVEY,
W. A. SMITH,
School Committee.

Report of the

Superintendent of Schools

To the School Committee of the Town of Stoneham:

Gentlemen:

In accordance with custom and the requirements of the school authorities, I herewith present my second annual report, it being the eighteenth in the series of such reports.

Appended to this report will be found the usual numerical statistics for the past year, and the reports of the special teachers and that of the Principal of the High School, careful consideration of which I respectfully urge.

The School Census

From Diagram I, we derive the following information concerning the children between ages 5 to 15 years:

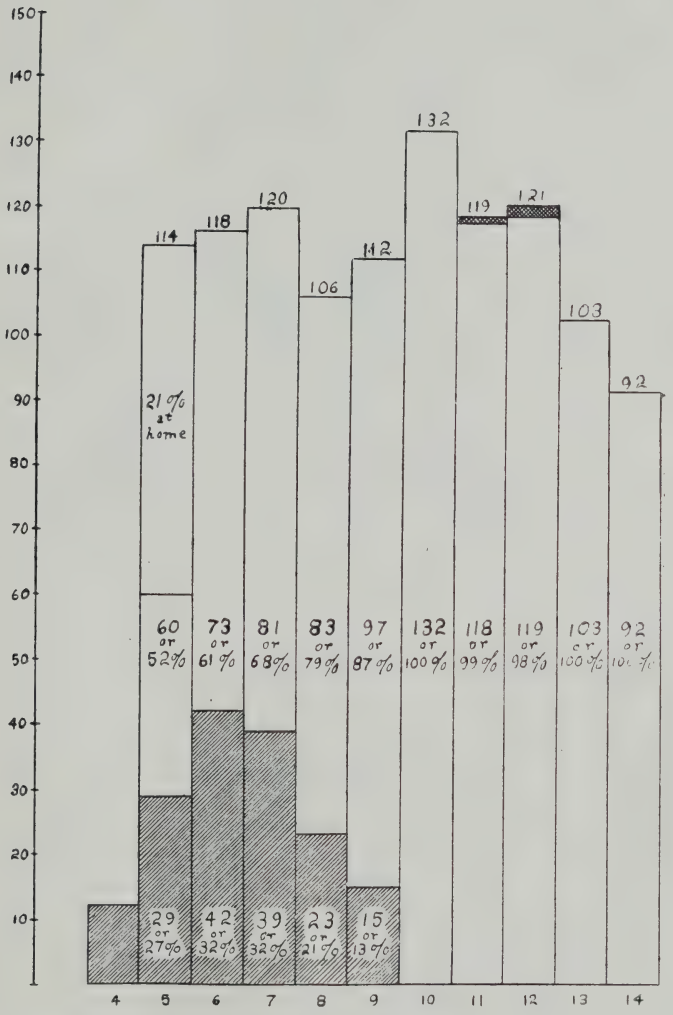
1. The number of children of each age.
2. The number of children in school.
3. The number of children at home.
4. How well we are enforcing the compulsory school law,—ages 7 to 13 inclusive.

The one per cent of eleven year olds, and the two per cent of twelve year olds are children kept at home because of physical conditions. Thus we see that the law regarding attendance is carried out to a degree of efficiency which cannot be bettered.

Diagram II shows the condition of the schools for the past year in respect to progress through the grades. General conclusions can scarcely be drawn from this study with accuracy, yet certain facts are apparent.

1. A distinct retardation in Grades IV and VII.
2. An undue failure in the first grade.

DIAGRAM I.



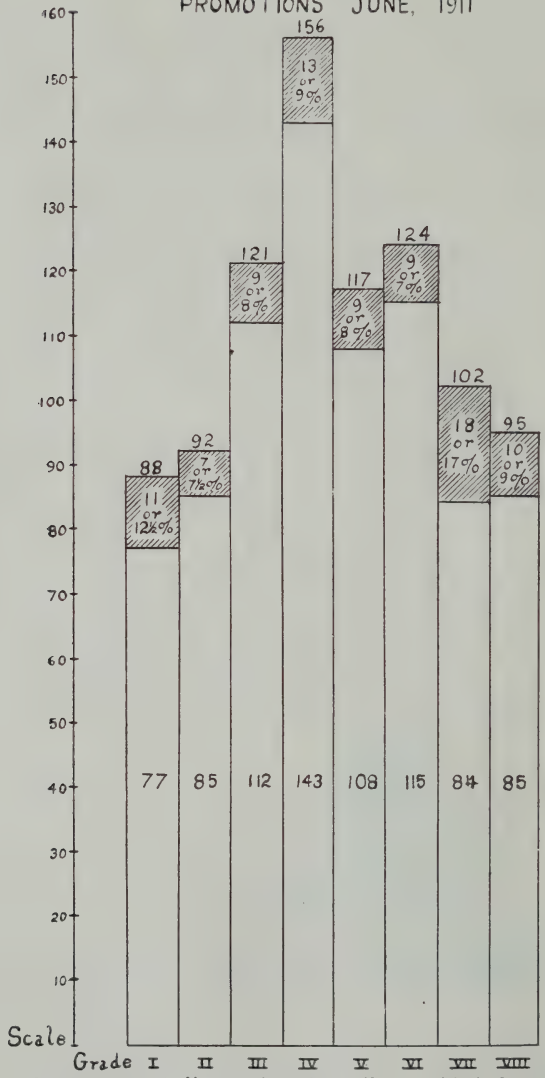
The hight of each column represents the number of children in town of the ages indicated

The ▨ represents the number of children in the parochial school

The □ represents the number of children in the public schools.

The ▩ represents the number of children at home.

DIAGRAM II
PROMOTIONS JUNE, 1911



The columns represent the number of pupils promoted from the several grades as indicated. The shaded portions indicate the number who were not promoted, i.e., who are repeating these grades this year.

TABLE I

GRADE AND AGE DISTRIBUTION—OCTOBER 1911

AGE SEPTEMBER 1, 1911	GRADES																TOTALS
	I		II		III		IV		V		VI		VII		VIII		
	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	
5	29	30	0	1	0	0	0	0									60
6	19	3	25	22	1	2	1	0									73
7	5	1	14	11	19	22	6	3									81
8	0	0	7	3	11	16	25	20	0	1							83
9	0	0	1	0	5	5	20	15	32	18	1	0					97
10	0	0	0	0	1	1	14	11	23	27	19	24	5	3	0	2	131
11	0	0	0	0	1	0	5	2	14	12	18	19	20	23	3	2	118
12	0	1	0	0	2	0	3	0	7	5	10	14	23	21	16	13	115
13					1	1	2	0	1	3	7	5	9	12	16	12	69
14							0	0	0	0	2	2	5	5	12	10	36
15											1	1	1	0	2	3	8
Totals	88		84		88		128		136		121		127		91		871
Above Normal Age	1		1		7		12		13		16		11		5		66
Per Ct. Above Normal Age	1.1+		1.1+		7.7+		9.4+		9.5+		11.1		8.6		5+		7.6+

The average rate of non-promotions computed for sixteen cities in the state is 16 per cent. Our average is 10 per cent. This is a comparatively good record, but when we face the conditions in a more careful study we find that the present condition of power in our fifth grade is such that not more than 70 per cent are really capable of taking up the work of the grade, as usually laid out, we realize that the entrance age is so low that it brings in a large number of children who are able to pick up the work of the first two or three years, but who do not mature sufficiently to do the work which should be required of pupils in the fourth and fifth years of school. This causes discouragement and is apt to create a desire to escape from school as soon as possible. This same condition asserts itself in the seventh grade with renewed emphasis, and a goodly number drop out at this point who should remain through the grammar grades. By increasing the offering along manual lines, and differentiating the courses at this point, in accordance with the ideas expressed by the new State officials, we should undoubtedly retain many who now drop out for this reason. The matter of expense alone stands in the way, as we are situated so favorably that the administrative difficulties are almost negligible. In those towns and cities where this idea has been put into operation the returns have been most favorable.

Table I reveals the following facts for the First Term of 1911-12:

1. The total number of pupils of each age in each grade.
2. The total number of pupils in each grade.
3. The total number of pupils above the normal age in each grade, and the total of such pupils.
4. The per cent of pupils above normal age in each grade, and the average.

The heavy broken line running diagonally through the table divides each grade into two groups, leaving the child-

ren of normal age, or younger, above the line, and indicating below, the children who are above the normal age, i. e., children who are old for their grade, or, in other words, who are backward. This normal age is fixed for grade I at the compulsory age, seven years. As we admit children at five, this places the normal in advance of the real normal for many of our children.

It is to be noticed that the per cents vary, beginning with a minimum of 1.1 per cent in grade I, and attaining a maximum of 11.1 per cent in grade VI, then decreasing to 5 per cent in grade VIII. In other words, the children get a good start in the primary grades but fail to keep up in their progress through the grades. It might appear that this loss was recovered in grades VII and VIII but as a matter of fact the pupils suffer a serious loss at just this point. Being over age and below grade, they leave school and go to work. This is shown by a study of the distribution of the pupils by grades for the last ten years. There is a drop of between 25 and 30 per cent in the enrolment of each class every year at the seventh grade. This drop is not to be accounted for by the children leaving to go to work and must be attributed to the falling behind and its consequent discouragement.

To meet the situation, the sixth, seventh, and eighth grades have been divided into three sections according to the ability manifested in their general work. It is hoped that this move will enable those who would otherwise be obliged to repeat a whole year, to review in the weak spots and accomplish part of the next grade's work so that some may lose no time, and even the slower pupils may take up a part of the work, skipping a grade within the next three years.

The majority of towns have established six years as the entering age, and a careful study of our first grades would seem to lead to the same conclusions as to the advisability of placing the limit at that age in our own case!

Attendance

Table II

Showing the number of pupils' attendance for different number of days in the elementary schools only.

180-185	21	
170-180	376	Attended more than three-fourths
160-170	234	of the time.
150-160	81	760, or 73 per cent.
140-150	48	
130-140	20	
120-130	20	Attended less than three-fourths
110-120	19	but more than one-half of the
100-110	29	time, 111, or 10 per cent.
90-100	23	
Less than 90,	173	Attended less than one-half of the time, 173, or 17 per cent.

Table II gives the attendance record in a manner more illuminating than is possible by the usual method. From this table it appears that 284 grade pupils attended school less than three-fourths of the time, while 173 of these attended less than one-half of the time.

Over 17 per cent of the grade pupils were absent more than one-half of the time and 27 per cent were absent more than one-quarter of the time. It has already been noted that about 10 per cent of the pupils were not promoted, and it might have been added that 10 per cent were promoted conditionally while 10 per cent were deficient in one study. Parents should understand that these conditions of non-attendance and promotion are very closely related.

Special effort is being made to improve the record for the present school year. Over 1,780 tradinesses were reported last year. Absence is sometimes unavoidable, but tardiness might be almost entirely eliminated. Punctual-

ity is exacted in business, and lack of it should not be allowed in school. To secure results we must have the cooperation of the home. Many of the cases are due to thoughtlessness in the home, and I wish to express my gratitude to the many who have responded nobly when once the matter has been brought to their attention.

As an incentive to better attendance and to stimulate punctuality, it has been agreed that every pupil who has a perfect record for the entire school month will be dismissed one hour earlier from the last session of the month. Whenever an entire school has a perfect record for a month the pupils will be given the last session for a half holiday. Experience has shown that the time thus given is more than offset by the time saved in better attendance.

BOOKS AND SUPPLIES

The amount expended for equipment in this direction has been largely used in replacing the music readers which were in such condition that further use was out of the question. New music books have been furnished the lower grades and the High School. The needs for next year are pressing in the equipment for geography and hygiene. Our maps very largely date back to 1890, and the work of this department under up-to-date courses cannot be successfully carried out without a better equipment in this line.

In hygiene the pupils above the fourth grade should be furnished with a modern text. This subject is far too vital a one to be treated superficially as must inevitably be done unless the pupil is given a text.

PENMANSHIP

The introduction of the muscular movement system last year has been followed by a determined effort to secure improvement. The children are attacking the matter with good will in the majority of cases. All the South School teachers and a number of other teachers have qualified

in the subject and the results are manifesting themselves in the daily work. While the application of the free movement is not yet all that it ought to be, and the writing has not yet acquired the form and character most to be desired, yet we have every reason to be encouraged, for it is evident that we are on the right road and permanent improvement is sure to come. It may be wise to require qualification by the rest of our teachers during the coming year.

CHANGES

We have had an unusually large number of changes in our teaching force. In August Miss Gilson of the East School left us to enter commercial life. Miss Priscilla Hinchcliffe was elected to fill the vacancy and is proving a valuable addition to the corps. In October the city of Everett called Miss Tarbett to take a position at an increased salary; for this position we were able to secure Miss Inez Kilton, a young lady of experience and excellent training who has brought such vigor and tact to the situation that we feel certain that the efficiency of the school will be maintained. At the close of the winter term Miss Fogg was taken by the city of New Bedford at an increase in salary so large as to make it out of the question for us to seek to retain her. Mrs. Laura L. Stevens was transferred from the North School to take her place in the third grade thus made vacant, and Miss Hilla Hedberg, of Stoneham, a graduate of the Rhode Island Normal School with five years' experience, has been assigned to grades two and three at the North School. Miss Robinson and Miss Kellogg both resigned from the high school corps. The arrangement of work was elected and it was felt wise to relieve Mr. Emerson of some of the athletic cares and secure a submaster. We were fortunate in securing Mr. Edmund W. Ogden for that position. To succeed Miss Kellogg, we chose Miss Gertrude Moody, from New Market, N. H.

Both these teachers have proven able workers and the school is to be congratulated that with such a decided break the work has been maintained at such a standard. In January Miss Eva Ruggli resigned as teacher of Science to go to Cambridge. We part with Miss Ruggli with sincere regret. Her work has been excellent and her influence for good in all lines has alway been felt by all connected with the school. Miss Edna F. McPherson of Portland, Me. has been appointed to succeed Miss Ruggli. Three other teachers have refused offers which would have drawn them away under different conditions. Miss Whitehouse resigned as supervisor of Sewing and Miss Marion H. Pratt of Dorchester, Mass., has taken the place in a very efficient manner. To succeed Edward N. Griffin, our former supervisor of music who was called to Medford, we selected Mrs. Harlan P. Counce. The work under Mrs. Counce is progressing well. More time has been necessary, owing to the increase in the intermediate grades, but this has been given freely and an extra class in preparation for the Normal School is being planned which will strengthen that department.

These enforced changes lead naturally to the question of calary. If we are to keep our teaching force up to the standard we must increase the maximum salary. The cost of living for our teachers has risen and the expense of continuation study which is a virtual necessity if a teacher is to keep up-to-date must be taken into consideration. In establishing an increase I strongly recommend the adoption of a merit system. Length of service can not safely be made the only condition of increase in salary.

MANUAL TRAINING AND INDUSTRIAL ART

The needs of the department of manual training are more pressing than ever. Following the line started last year of supplying such material as the schools need, so far as possible, the department has made several cabinets for supplies. Much better work, covering a larger field,

could be done if the equipment were added to by installing a band saw and lathes run by electric power.

The generous offer by the Woman's Club to finance the teaching of cooking for the year if the committee would furnish tables and support the cause another year was refused on account of the lack of funds. In a community where so many of our girls early assume the responsibility of preparing the family meals it would seem especially fitting that such a course as was planned should be introduced. The experience of towns having similar industrial condition shows the wisdom of the work along these lines.

For the department of Industrial Art the work has been directed to a more mechanical line, and the classes have made satisfactory progress. The work is outlined more in detail in the reports of the Supervisors which are appended.

TEACHERS' ASSOCIATION

In November the teachers voted to organize as an association for mutual improvement. The details of the organization and the constitution adopted are appended. The meetings held thus far have been helpful. The program for the year is added to indicate the general character of the work.

Dec. 8 Efficiency and Fatigue—Readers: (Mr. Emerson
(Miss Bessey

April Play and Playgrounds—Ernest Hermamn, Supervisor of Playgrounds in Cambridge.

STONEHAM TEACHERS' CLUB

Constitution

Article I. Name.

This organization shall be called The Stoneham Teachers' Club.

Article II. Object.

The object of the Club shall be to promote good fellowship among the teachers of the town, to provide means for instruction, recreation and entertainment, and to promote the general welfare of the teaching profession.

Article III. Membership.

All public school teachers, supervisors, and the superintendent of the Stoneham Schools, and the husbands or wives of any such, shall be eligible for membership.

Article IV. Officers.

The officers of the Club shall be as follows:—President, Vice President, Secretary and Treasurer. These officers, with three Directors shall constitute the Executive Board.

Article V. Meetings.

The meetings of the Club shall be held on the second Friday evening of each month, between November and April, inclusive.

In concluding, I wish to express my hearty appreciation of your patience and co-operation, the faithful and satisfactory service of the teachers, and the kindness and courtesy that I received from all with whom I am associated.

Respectfully submitted,

ARTHUR B. WEBBER.

Dec. 31, 1911.

HIGH SCHOOL

Mr. Arthur B. Webber, Superintendent of Schools.
Dear Sir:

I have the honor to submit my seventeenth annual report.

Enrollment by Grades

Grade IX	84
Grade X	64
Grade XI	53
Grade XII	34
Grade XIII	18
Post Graduates	2
Total	255

Enrollment by Courses

Classical Course	67
Scientific Course	43
Business Course	126
English Course	14
Special Course	5
Total	255

A school is frequently judged, and correctly, by the attitude of its graduates toward further education. It is with great pleasure, therefore, that I submit the following data respecting our graduates for the past ten years:

Class	No. graduates	Went to College	Other institutions
1902	23	7	5
1903	35	6	6
1904	30	5	1
1905	35	9	3
1906	26	5	4
1907	19	3	4
1908	33	8	5

1909	22	4	6
1910	30	2	9
1911	39	9	9
Totals	292	58	52

To College, 19.9+%. To other institutions, 17.4+%. Total, 37.3+%.

Colleges attended: Amherst, 1; Boston College, 2; Boston University, 4; Brown, 4; Harvard, 4; Holy Cross, 1; Naval Academy, 1; New Hampshire State, 3; Norwich University, 1; Phil. Coll. Pharmacy, 1; Simmons, 5; Smith 3; Syracuse University, 1; Teachers' Coll., N. Y., 1; Technology, 10; Tufts, 10; University of Cal., 1; University of Me., 2; Villa Nova, 1; Wesleyan, 2.

"Other Institutions" include the State Normal Schools, Lowell Textile School and some other schools of less than college rank, but do not include business schools, with the exception of a very complete course at Bryant and Stratton's.

As I have said before, I believe one of the greatest sources of strength to a high school is an active, loyal alumni. Our alumni have been particularly helpful. Through their efforts the Alumni Loan Fund now approximates seven hundred dollars and is being drawn upon by six of our graduates in their efforts to obtain a further education. Recent contributions to the fund are: Woman's Club, $50; Class of 1911, $67.67; Proceeds from Glee Club, $43.96; besides several smaller contributions.

Our thanks are due to Mr. A. L. Souther for a very fine steel engraving "Great Inventors," and to the Class of 1911 for a beautiful picture, "The Vigil" that now hangs in our assembly hall; also to the daughters of the late J. Willard Brown for the gift of a Cabinet of Reference Clippings.

As suggested last year, our greatest need is to have the walls of the high school building tinted. Our next

greatest, is the equipment of the military company with rifles that will permit of up-to-date training.

The officers of the company for the present year are: Captain, Arthur B. Cogan; 1st Lieutenant, Rayford A. Mann; 2d Lieutenant, George D. Mirick; 1st Sergeant, Nelson W. Dempsey; Qm. Sergt., Paul L. Keenan; 2nd Sergt., Clifford E. Patten; 3rd Sergt., Raymond Longmore; 4th Sergt., Joseph Montague; 5th Sergt., Wesley C. Thompson; Corperals, Johnson, Jas. Loughlin, Bockus, Freeman, Hill, Van Buren, Keith.

At the annual prize drill Rayford A. Mann was awarded first medal; Joseph Montague second medal; Paul Hinchcliffe third medal; John Litchfield received honorable mention. I am pleased to say the company was never in better shape.

In closing I would call attention to the large number of pupils taking the Business Course, attracted to it, doubtless, by its newness. Many of these I am sure would have chosen more wisely if they had elected a Scientific or English Course, supplementing the same, if they so desire, with a year of shorthand, or of typewriting. I would call the attention of parents very particularly, therefore, to the appended course of study.

In behalf of the teachers I sincerely thank all who have contributed in any way to the harmonious, and exceeding pleasant and profitable school year just passed.

Respectfully submitted,

CHARLES J. EMERSON.

Principal.

DRAWING

Mr. Arthur B. Webber,
Supt. of Schools:
Dear Sir:

In my last report of the drawing, mention was made of the new primary courses of study, which involved considerable practice with the ruler and construction in cardboard. The making of the doll's house in Grade 1, the farm settlement in Grade 2, and the beach buildings in Grade 3, gave the little people a great deal of pleasure and taught them to appreciate the importance of accuracy. Photographs were taken of the best farm and beach settlements, both to encourge those classes that did exceptionally well, and also that we might have records, to serve as suggestions for any new teachers who should come among us.

This year, for the first time, the stencilling of the seventh grades was done in oil paints instead of in colored crayons, which are used in the sixth grades. The paint is much more difficult to manage than the crayons, but many of the original stencil patterns were transferred neatly to the cloth.

The brass work of the eighth grades was carried further than usual this year, and some very large and elaborate designs were executed. In the fall, several of the brass pieces and a few examples of tooled leather work which had been done in the High School, were sent to the Wakefield-Reading fair. A number of these articles were awarded prizes.

The mechanical work of the High School class has been intensely interesting. It was suggested that the boys make original plans for a two story house, and, after several talks in class upon the subject and more or less outside research on the part of the pupils themselves, each boy produced his own sketch of the plan of the first floor. After these had been passed in for criticism and suggestions for im-

provement had been indicated on each paper, they were returned to the pupils, who then corrected the drawings and proceeded with the plans for the second floor. When both floor plans had been drawn to scale and finished carefully in lead pencil, the pupils were permitted to tint the sheets with water color,—representing, as nearly as possible in elementary work, the finish of architectural sheets. Then the plans of the entire class were submitted to a committee, chosen specially for this purpose, and they selected the four best sets. Those whose drawings were thus selected, carried the original work further than the rest of the class, and made elevations of each of the four sides of the house,—using the water color also to tint these sheets. No other class has ever manifested so great an interest in mechanical drawing. This is doubtless due to the intensely practical nature of such work.

I appreciate greatly the earnest labor of our teachers, the helpful suggestions of our superintendent, and the efforts of our school committee to see that we are provided with the many materials essential to the success of the work.

Respectfully,
EVELYN F. CROSS.

SLOYD

Mr. A. B. Webber,
Supt. of Schools,
My Dear Sir:

The following report in regard to the Sloyd Dept. is respectfully submitted.

The work has continued in the usual lines, except much more advanced work has been done. A great deal of successful practical work has been done the past year.

Five quartered oak desks for the Typewriting room were made, each pupil in the 9th grade doing a part. Four oak rocking chairs and a library table were also made; one boy nearly finishing a library room.

Just before the opening of the Wakefield-Reading Fair, we received a request to make an exhibit. With the kind assistance of one of our committee, in giving us the use of one of his teams, we managed to borrow about twenty-five of the models that had been taken home. These were placed in a bare room, at the Fair, without decoration or accessories to set them off. Sixteen of these received prizes.

One instance, which is a type of many, shows the kind of interest shown in this work. A boy, whose mother was in the hospital, and who was living away from home, earning his money by selling papers, made a quartered oak rocking chair and had it upholstered, for her comfort, upon her return home.

Our quarters could be enlarged by building a one story shop joining the East side of the present room and running 40 or 50 ft. East. A little machinery, such as a lathe, circular saw, forge and tools for brass work, would be a starting point, that could be built upon from time to time.

In my last report I called attention to the growth and crowded condition of this department. This growth has continued during the present year, crowding the space and time almost to the limit.

I sincerely hope that these conditions, together with the interest taken, and the success of the school, will start a movement for the enlargement of our quarters, and the giving of more time to the subject.

Yours respectfully,
WALTER F. BRACKETT.

MUSIC

Mr. Arthur B. Webber,
Supt. of Schools,
Dear Sir:

I herewith submit my first report as Supervisor of Music in the public schools of Stoneham.

The new text books which were purchased for the second and sixth grades inclusive, are furnishing excellent material for these grades. They contain well graded songs and exercises of modern composers, likewise from the works of the old Masters, and all are arrangements admirably suited to the grades for which they are intended. It is hoped that by another yeyar, at least, the advanced books will be purchased for the seventh and eighth grades, thus making the course complete. At present these two upper grades are using books of a course that has long been in use; longer perhaps than is advisable when new and modern courses are on the market. For recreative singing and song study the classes have the Silver Song Series while in the eighth grades some sheet music is being used with very pleasing results.

Rote songs form an important part of the work in the lowest grades. It is by these tuneful little melodies written especially for children, to which attractive verses have been set, that the child obtains its first impressions of school room music. It is therefore important that these songs should be of such a nature that will appeal to them. The books which were purchased as desk books for the teachers in the lowest grades, have solved the song problem and the very youngest pupils are doing satisfactory work with song singing as well as in the technical branches. Our first grades are very small and often times where it so happens that there are an unusual number of unmusical children in the small class the music will suffer accordingly, but I am pleased to report that our first grades are most certainly making up in quality what they lack in quantity.

The new books at the High School was selected because it contained the greatest variety of songs from the greatest number of sources. There, selections from the operas are well arranged for High School voices, while the "old home songs" of years ago have been revived; there are also some excellent hymns for morning devotional ex-

ercises, in fact something for every occasion, so I feel that we have a book that is useable, for every song is a good one, and the chorus is doing very good work.

Besides being a review of the past months this report will outline very briefly some suggestions for the future.

The High School needs an elective normal course for the senior class, especially conducted for those who wish to enter Normal School but for any pupil who may desire to add it to his list of studies for the senior year. The course would contain a very thorough review of the present work in the grades, with possibly a little elementary harmony and a study of the lives and works of the great composers. This last mentioned branch would be most excellent if it could be studied in the grades in connection with the regular English or literature work. Lives of great poets and statesmen have been read and reread. Why not learn of the great musicians who have left us such wonderful musical works?

In the High School and the seventh and eighth grades a special chorus has been chosen. I hope these may become definite organizations, especially in the High School, where it may be known as the High School Glee Club with possibly social as well as musical purposes. At present the special choruses, which number about sixty each are in a state of construction, but they have begun well and will be heard from in the future.

Music writing will hold an important place in the upper grades, especially the seventh, where a definite plan of work is in progress including melody writing and the invention of melodies.

The pupils are all exhibiting very encouraging symtoms of being interested in the part of the school routine given to singing and the study of music. In the grades much depends upon the regular teacher to carry out the work assigned. It is pleasant for the music teacher to feel, as she leaves a class room for one or two weeks, as

the case may be, that there the work will be done faithfully; so I wish to express my appreciation to the teachers for their hearty co-operation in making the first half of the school year a successful one, and to you and the School Committee for your interest and support.

Yours respectfully,

MABELLE PROCTOR COUNCE.

SEWING

Mr. Arthur B. Webber,

Superintendent of Schools:

Dear Sir:—I have had charge of the sewing in the schools here since last September and I have found the classes deeply interested in the work and, in the majority of cases, making better progress than I had anticipated.

The pupils of the sixth grade were first taught the various stitches and practiced there by means of samples. These stitches were then applied later in making flannel petticoats.

In the seventh grade a cooking outfit was made, consisting of a hemmed towel, a long cooking apron and a cap. Here the pupils are taught to cut their own garments from paper patterns.

The eighth grade girls have made a fancy sewing apron and a night-gown or chemise.

In the ninth grade drafting and the use of the sewing machine are taught. Corset-covers have been drafted and made, also a short kimono. Fancy stitches were taught in this grade and applied in making jabots.

Patching and darning are taught in all of the grades.

I have endeavored to choose models which bring in all of the stitches as well as the various seams and methods of construction, which should prepare the girls to make any garment correctly.

Respectfully submitted,

MARION H. PRATT.

REPORT OF THE SCHOOL PHYSICIAN

To the School Committee:

In making his annual report, the School Physician wishes to emphasize two things, one, is the immunity which Stoneham enjoys in a large measure from epidemics of contagious diseases; and the other the watchfulness of

the teaching force in detecting the first signs of trouble and thus contributing very largely to its early elimination.

There has been quite a successful campaign waged against defective eyes and carious teeth; and most of the pronounced cases of adenoids, and diseased tonsils have been treated surgically, according to the recommendations sent home to the parents.

The abolition of the general drinking cup and the substitution of the fountain, has been a great step towards the elimination of the transmission, of those contagious diseases, that may be spread from mouth to mouth.

With the exception of one light epidemic of scarletina, there has been no alarm caused in this respect.

A visit to the different rooms shows a very gratifying state of general healthfulness amongst the children, plump and rosy cheeks being the rule, rather than the exception. In the upper grades there are always to be found scholars who go to school with no breakfast, the excuse being that there was not time to eat it. Parents should take especial note of this and see that sufficient time is taken for a substantial meal, for without it there is a drain upon the system with nothing coming in to meet it.

I wish to especially call the attention of the parents to the necessity of providing suitable rubbers for the small children. Their shoes are thin and easily wet through in only a moderate storm if not protected, and for the average child the result of sitting through a session with wet feet is apt to be disastrous. There are still quite a number of children, whose throats and noses should receive medical treatment, and the School Physician makes an especial plea that parents pay heed to the medical suggestions that the children bring home from time to time, and thus co-operate in the attempt to keep the school health statistics at the highest possible state of efficiency.

FRANCIS E. PARK, M. D.,
School Physician.

TRUANT OFFICER'S REPORT FOR THE YEAR ENDING DECEMBER 31, 1911

Cases investigated	114
Number of cases of truancy	30
Number absent for good cause	53
Number illegally absent	23
Number taken to court	3

Respectfully submitted,
L. S. HARDING, Truant Officer,

Report of the

Board of Selectmen

To the Citizens of Stoneham:

The Board of Selectmen respectfully submit the following report for the year 1911:

On November 13, Clayton B. Kinsley, chairman of our board, resigned, but, owing to the lateness of the year, the remaining members of the board decided not to call a special town meeting to fill the vacancy. Selectman Kinsley's resignation follows:

November 13, 1911.

Messrs. George R. Barnstead and Arthur N. Newhall, Selectmen of Stoneham, Mass.

Gentlemen:—After careful consideration of the law relative to notifying Assessors of temporary removal from town and intention of person so removing to return in order that he may retain his residence in the town, I feel that I cannot conscieutionsly state to the Stoneham Assessors that it is my intention to return in the spring, as business conditions may continue that would make it quite inconvenient for me to do so. Therefore, I beg to hand you herewith my resignation as chairman and member of the Board of Selectmen of Stoneham, Mass., to take effect this day.

Assuring you both that my association with you on the board has been one of the pleasantest experiences of my life, and wishing for you and the Town of Stoneham every success in the future, I am

Yours very respectfully,

CLAYTON B. KINSLEY.

FINANCES

For a detailed statement of the financial condition of the town, we would refer you to the report of the Board of Auditors.

LAW SUITS

The following suits are now pending against the town:

Quimby & Ferguson vs. Town, sewer suit so called, for $35,000, covering claims in relation to sewer contract of 1906.

O'Loughlin and McMahon, sewer suits, have been placed in the hands of the Casualty Company carrying the insurance.

Catherine L. Kirk, $4,000, for injuries received by a defect in the sidewalk on the westerly side of Pine street.

Christopher Harrison, for injuries received by driving auto into sewer trench on Rowe's hill, Main street. Referred to Casualty Company carrying the insurance.

William E. Danforth, $4,000, for injuries received by coming in contact with a staple and ring in the curbstone in front of Chase's block.

William J. Whally, $4,000, for injuries received by a defect in the highway near the residence of A. W. Outram on Franklin street.

Alexander B. McIntosh, $4,000, for injuries received by a defect in the sidewalk in front of the store of Edward Caldwell, Main street.

Mary E. Fisher, for injuries received by a defect in the sidewalk on Hersam street near the corner of Main street.

POLICE DEPARTMENT

This department is now composed of four regular officers, Mr. Edward L. Nestor being appointed to the force July 18, he having been certified to by the Civil Service Commissioners.

We would recommend that the town pass a vote whereby no officer could hold any position, other than that of constable, which would conflict with his duties as a member of the department.

For a detailed report of the captain and lockup keeper we would refer you to the following:

To the Honorable Board of Selectmen:

Gentlemen:—I submit the following report of the work of the Police Department for the year ending December 31, 1911:

Sumner H. Green, Captain.

Patrolmen.

John C. C. Small, James J. Scally,

Edwin L. Nestor.

I thank your Honorable Board for advice and assistance during the past year, the regular and special officers, and the citizens who have in any way assisted me in my official duties.

SUMNER H. GREEN,
Captain of Police and Lockup Keeper.

JURORS DRAWN

March 23, Elbridge Gerry, Charles A. Moody, Frank E. Green, Arthur W. Chamberlain.

May 29, Charles E. Hardy, Orin A. Dodge.

September 18, Harlan R. Counce, David W. Gerry.

November 27, Charles E. Hardy, William Garside.

December 18, George W. Thayer, Maurice Meade. Owen A. Farley.

STREET LIGHTS

Eleven incandescent lights have been installed as follows: One on Elm street near Washington street; two on Main street between Broadway and George street; one on Middle street and Main street; one on William street near the railroad crossing; one on Wright street court and Lincoln street extension; one on Wright street near Hancock street; one on Franklin street near Spencer street; one on North street near house of W. W. Richardson; two on West street.

On June first the contract now existing between the Edison Electric Illuminating Company of Boston and the Town of Stoneham expires, and we believe it for the best interests of the town to renew the contract for a term of years.

Our present five year contract with the number of

lights now used costs $4,573.94, and if increased to a ten year contract would mean a reduction to $4,333.20. This is on a moonlight schedule burning until one o'clock.

If the town should decide to have lights every night until 12.30, on a five year contract the cost would be $5,121.51; on a ten years' contract $4,851.96.

Of the thirty-six cities and towns which the Edison Company now supply twenty-eight are working on a ten years' contract.

FIRE DEPARTMENT

Conditions in this department remain about the same as in previous years.

We regret to report that on April 11, 1911, we lost by death our Chief Engineer, George E. Sturtevant, who had been a member of the department for 47 years, 19 of which he served at the head of the department.

We are of the opinion, if we are to keep up with the surrounding towns, that it is time for the town to consider the purchase of at least one piece of automobile fire apparatus, and recommend that a committee be appointed to look into the matter and report at an adjourned meeting.

The work of the department may be seen in the following report of the engineers:

To the Honorable Board of Selectmen:

Gentlemen:—The Board of Fire Engineers respectfully submit the following report for the year ending December 31, 1911:

During the year there have been 66 alarms, as follows:

January 14. Box 38 for a fire in dwelling on Pond street, owned by A. H. Adzigian. Unoccupied. Cause unknown. Loss covered by insurance.

February 2. Box 62 for a chimney fire in dwelling on Pine street, owned by Vecia C. Moody. Caused by overheated stove. No damage.

February 6. Box 63 for a chimney fire in Whittier Building. No damage.

February 15. Box 34, needless alarm for a chimney fire in a dwelling on Park street, owned by Michael Haley.

March 9. Box 62 for a fire on roof of the Franklin House, Franklin street, owned by Frank Spencer. Occupied by Blanche Pratt. Cause unknown. No damage.

March 12. Box 63 for a fire in store and dwelling on Main street, owned by T. R. Symmes. Occupied by M. O'Keefe, grocer; E. Caldwell, furniture; F. M. Burns, dwelling. Cause unknown. Loss covered by insurance.

March 24. Box 27 for a fire on outside of shed on Franklin street, owned by S. F. Sibley. Cause unknown. No damage.

March 26. Still alarm for a grass fire on land owned by Fuller estate, north side of Pomeworth street. Cause sparks from locomotive. No damage.

March 26. Still alarm for a grass fire on land west of Oak street. Cause unknown. No damage.

March 26. Still alarm for fire on sprout land west side of Oak street. Cause unknown. No damage.

April 2. Box 23 for a grass fire on land east of Green street. Cause unknown. No damage.

April 7. Box 23 for a brush fire on land west of Oak street. Cause unknown. No damage.

April 12. Box 23 for a brush fire in Alden's Woods, north side of Spring street. Cause, burning grass. No damage.

April 13. Box 23 for a grass fire on land east of Main street, Rowe's Hill. Cause unknown. No damage.

April 13. Box 38 for a needless alarm, grass fire, on Rowe's Hill between Pond and Main streets.

April 13. Box 23 for a brush fire on land of A. M. Rhuland north of Forest street. Cause unknown. No damage.

April 16. Box 23 for a brush fire on land owned by

J. B. Tidd east of Oak street. Cause unknown. No damage.

April 16. Box 23 for a brush fire on land owned by M. McKenna north of Forest street. Cause unknown. No damage.

April 17. Box 23 for a grass fire on land owned by E. B. Morse, east of Main street. Cause unknown. No damage.

April 18. Box 23 for a grass fire west of Perkins street. Cause unknown. No damage.

April 18. Box — Still alarm for grass fire on land north of Collincote street. Cause unknown. No damage.

April 19. Still alarm for grass fire on land west of Isabella street. Cause unknown. No damage.

April 19. Still alarm for grass fire south side of Spring street. Cause unknown.

April 19. Box 44 for a fire in dwelling on Wright street, owned by Mary Finnegan. Cause unknown. Loss covered by insurance.

April 24. Box 23 for a brush fire on W. B. Stevens' land west of West street. Cause, burning grass. No damage.

April 28. Box 44 for a fire in stable on Main street, owned by John Claffy. Unoccupied. Loss covered by insurance.

April 30. Box 23 for a brush fire in Green's Woods west of Perkins street on land of J. H. Greene estate. Cause unknown.

April 30. Box 213 for a brush fire in woods west of Perkins street. No damage.

May 5. Box 23, brush fire, Butts Woods, Green street. Cause unknown. No damage.

May 6. Box 23, brush fire, Perkins street. Cause unknown. No damage.

May 6. Box 28, brush fire north side of Spring street. Cause unknown. No damage.

May 7. Box 28, brush fire south side of Spring street. Cause unknown. No damage.

May 8. Box 23, brush fire north side of Spring street. Cause unknown. No damage.

May 14. Box 23, brush fire west side of Perkins street. Cause unknown. No damage.

May 24. Box 38 for a fire of barn of Mrs. L. L. Phimey's. Cause, struck by lightning. Total loss.

June 2. For a fire in dwelling house owned by John Cullen, Franklin street. No alarm. Fire caused by stepping on snap match. Damage slight. Loss covered by insurance.

June 28. Box 28 for a fire in a dwelling house and barn owned by Rufus Chapman, Spring street. Cause unknown. Loss partially covered by insurance.

June 30. Box 54 for a fire in dwelling house owned by W. H. White, No. 6 Mt. Pleasant street. Damage slight. Loss covered by insurance. Cause, explosion of oil stove.

July 3. Box 35, false alarm.

July 4. Telephone call for a fire at corner William and Central street. No damage.

July 4. Still alarm for a fire at Mrs. Melvin's, Fuller street. No damage.

July 4. Box 45, bill-board fire.

July 4. Box 45, bill-board fire.

July 6. Bell alarm for a fire in C. H. Arnold's barn. Cause, struck by lightning. Total loss.

July 6. Call to Wakefield for a fire at Cutler's store and the Armory. Hose 1 and Steamer responded.

July 13. Still alarm for a fire at Dean School. No damage. Cause, hot soot.

July 18. Box 36 for a fire in shed owned by J. W. Wilson. Cause, unknown.

July 22. Box 62 for a fire in house and store owned

by S. P. Finnegan, 69 Franklin street. Cause, unknown. Loss partially covered by insurance.

July 23. Box 27, false alarm.

July 31. Still alarm for fire on W. Hammond's auto. Damage slight.

August 1. Box 38 for a fire in dwelling house owned by Mrs. Margaret Doherty, 38 Summer street. Damage slight. Cause, explosion of oil stove.

August 7. Box 63 for a fire in building 15 Franklin street, owned by Sanford F. Benton. Loss covered by insurance. Cause, rats and matches.

August 8. Box 23 for a bog fire, land owned by A. W. Outram. Cause, set by owner.

August 13. Box 37. Telephone call for a fire in house owned by the Metropolitan Park. Loss partially covered by insurance. Cause, lanterns came in contact with metal polish.

August 28. Box 63 for a fire in building owned by the Brown-Sweetser heirs, 283 Main street. Cause, explosion of oil stove. Damage partially covered by insurance.

September 11. For a fire in dwelling house owned by Miss Clara Steele. Cause, explosion of oil stove. No alarm. Damage partially covered by insurance.

September 12. Box 38 for a fire in dwelling house owned by Peter Nolan. Cause, explosion of gasoline stove. Loss covered by insurance.

September 13. Box 38, false alarm.

October 16. Box 44 for a fire in shop owned by Harry C. Hersam. Cause, fire under boiler back fired. Damage slight. Covered by insurance.

October 17. Box 38, false alarm.

November 2. Still alarm for a fire in out-building owned by Selwin A. Lynde, corner Wright and Maple streets. Cause, incendiary. Damage slight.

November 22. Box 45 for a chimney fire at Farm Hill station. No damage.

November 28. Box 52 for a fire in house owned by Fred Nickerson, Keene street. Cause, boy playing with matches. Loss covered by insurance.

November 28. Box 26 for a fire in house owned by D. Adzigian, 21 Spring street. Caused by hanging clothes too near stove. Loss covered by insurance.

December 1. Box 63 for a fire in store owned by Deferrari Bros. Cause unknown. Loss covered by insurance.

December 28. Still alarm for grass fire on playground. Cause, sparks from locomotive.

During the year property to the value of $102,040.00 has been endangered by fire, on which there has been a gross loss of $20,364.11. Insurance has been recovered to the amount of $15,386.61, leaving a net loss of $4,977.50. There has been used at fires during the year 20,550 feet of hose and 80 feet of ladders.

We believe that the time has arrived when the town should take up the matter of motor apparatus for the Fire Department. This is being done in all the towns of the Metropolitan district. We earnestly recommend that the town take action at the annual meeting in March for the purchase of one or more pieces of motor apparatus, believing that it will not only add greatly to the efficiency of the department, but will also be a matter of economy in the end.

During the past year the policy of rebuilding the fire alarm system as much as possible from the regular appropriation has been carried out, and about three and a half miles of old line has been replaced with new wire and is now in good condition. We believe this policy should be continued until the entire line has been rebuilt.

We have added twelve new rubber coats and twelve "Globe Quick-hitch" coats, so that the men are now well equipped.

We wish to thank the members of your Honorable

Board for the assistance and encouragement given us in the discharge of our duties during the year.

To the officers and members of the several companies we extend our sincere thanks for the willing and efficient manner in which they have performed their duty.

We also wish to thank the Police Department for the aid rendered at fires by them, and the citizens of the town for the generous support given by them during the year.

Inventory of Fire Department.

In accordance with the vote of the town at the annual meeting in March, 1911, we present the following inventory of the personal property in our charge: 1 second size Amoskeag fire engine; 1 2-horse combination wagon; 2 1-horse hose wagons; 1 1-horse hose reel; 1 ladder truck; 2 sets double harness, complete; 1 set double harness, without bridles; 1 single harness, without bridle; 2 single harnesses, without collar or bridle; 9 horse blankets; 4 wagon jacks; 1 62-foot ladder; 1 55-foot ladder; 2 30-foot ladders; 1 33-foot ladder; 1 28-foot ladder; 1 25-foot ladder; 1 24-foot ladder; 2 22-foot ladders; 1 20-foot ladder; 1 18-foot ladder; 2 10-foot ladders; 415,000 feet serviceable hose; 300 feet condemned hose; 2 tons cannel coal (estimated); 6 three gal. Chem. extinguishers; 30 lbs. Bi carb. soda (estimated); 1 carboy sulpuric acid; 1 carboy sulpuric acid (battery solution); 8 one way hydrant gates; 3 two way hydrant gates; 10 hose pipes; 7 hydrant wrenches; 23 spanner belts; 39 spanners; 20 hose straps; 1 Cooper hose jacket; 1 Eastman deluge set; 1 Y coupling; 9 axes; 3 crow bars; 14 lanterns; 3 acid containers; 2 soda bags; 34 rubber coats; 12 Globe quick hitch coats; 4 life belts; 1 wire cutter; 1 sledge hammer; 1 door opener; 4 ladder dogs; 11 respirators; 10 shovels; 3 bristle brooms; 16 corn brooms; 17 pails; 5 water pots; 1 rake; 6 plaster hooks; 75 feet 1½ inch rope; 160 feet 1 inch rope; 50 engine torches; 150 feet

garden hose; 1 heating boiler; 4 radiators and piping; 1 kerosene stove; 1 safe; 79 chairs; 1 bookcase; 4 flat desks; 4 tables; 5 board tables; 12 horses for same; 4 stoves; 3 clocks; 5 maps of water system; 4 mirrors; 1 box bandages; 1 mop; 1 mop wringer; 4 coal hods; 5 kerosene cans; 5 dust pans; 4 coffee boilers; 1 wash boiler; 3 wash tubs; 9 pictures; 20 cuspidors; 6 qts. metal polish; 5 qts. harness oil; 2 boxes harness soap; 6 dusters; 1 step ladder; 3 tree pruners; 1 storage battery, 74 cells; 1 three circuit switch board; 1 bell striker; 1 whistle blowing machine; 1 indicator; 27 fire alarm boxes; 1 no school signal box; 20 miles wire (estimated) with necessary arms and brackets; 1 seven horse power motor and compressor; 1 switch board and automatic governor for same; 6 air storage tanks; 1 magneto; 1 hammer; 1 chisel; 1 hatchet; 1 pair crimpers; 2 pairs lineman's pliers; 1 pair common pliers; 1 pair lineman's spurs; 1 strap and vise; 2 Buffalo come alongs; 1 pair rubber gloves; 2 hand lines; 4 monkey wrenches; 1 fifty foot tape line; 2 screw drivers; 1 bit brace; 8 bits; ½ mile new wire; 16 cross arms with pins, braces, etc., for same; 1 gal. engine oil; 3 gals. cylinder oil; 10 lbs. cotton waste; 3 boxes metal polish; 1 box axle grease; 1 one-horse hose wagon, 1 hand hose reel, out of commission.

Respectfully submitted,
LOUIS F. BRUCE,
ALBERT J. SMITH,
CHARLES E. CLOUTMAN,
Engineers of Fire Department.

SEALER OF WEIGHTS AND MEASURES

This department is efficiently managed by Mr. George B. Williams, whose report follows:

To the Honorable Board of Selectmen:

I submit the following report for the year ending December 31, 1911:

Test weighing has been made in all stores and bakeries. Reweighing of coal and inspection of hawkers and pedlers. All inferior measures and scales have been seized and condemned or destroyed.

Summary of Work

Platform scales (capacity over 5,000 lbs.) sealed	5
Total number of tests	5
Platform scales (capacity under 5,000 lbs) sealed	29
Platform scales (capacity under 5,000 lbs) condemned	1
Platform scales (capacity under 5,000 lbs) tagged for repairs	4
Total	34
Computing scales sealed	9
Computing scales condemned	3
Computing scales tagged for repairs	5

GEORGE B. WILLIAMS,
Sealer of Weights and Measures.

PUBLIC SCALES.

To the Honorable Board of Selectmen:

Gentlemen:—The weigher in charge of the town scales submits the following report:

Number of paying loads weighed during year	948
Number of non-paying loads weighed during year	24
Total number loads weighed	972
Receipts	$94.80
Expenditures, weighers fee 75%	71.10
Scales books	9.00
Balance unexpended paid to Treasurer	14.70

Yours respectfully,
CHARLES F. HAYWARD.

ARMORY

During the past year the south side of the building has been shingled, the contract being awarded to Mr. L. A. Holden, the only bidder.

The amount received for rent has been $2,287.65, including $900.00 received from the state for rent of H Company, Sixth Infantry.

BROWN TAIL AND GYPSY MOTH

Mr. George M. Jefts is in charge of this department and is thoroughly familiar with the work.

The town is required by law to raise and expend the sum of $2,043.71 the coming year.

Respectfully submitted,

GEORGE R. BARNSTEAD,

ARTHUR N. NEWHALL,

Selectmen of Stoneham.

Report of the

Trustees of Public Library

To the citizens of Stoneham:

The Trustees of the Public Library herewith present their annual report.

"The primary purpose of a free public library supported by taxation is to give good books to those who would not otherwise have them, and to afford instruction, bythe intelligent use of books, to those who would not otherwise have it."

With this ideal in view, the Trustees have continued, during the year 1911, a policy already quite firmly established—a policy that contemplates three well marked aims:

(1) To conduct the affairs of the Library in such a manner that there shall be as small an expenditure for maintenance as is consistent with the best possible service to the public.

(2) To add each year some improvement or fnrnishing of a permanent character.

(3) To meet, as nearly as possible, the requirements of the public for current periodicals and new books of fiction, and, at the same time, make some additions to the standard works of history, biography, literature, art, science and general works of reference.

The chief expenditures for maintenance are for salaries, heating and lighting. Aside from a slight increase in the salary of the janitor, due to his having been assigned certain duties heretofore performed by day labor, no change has been made in salaries.

The Board believes, however, that the salary of the

Librarian should be materially increased and the requirements of that office greatly extended.

Expenditures for heating and lighting, depending, as they do, upon weather conditions, fluctuate to quite an extent, but, under the most favorable conditions, require a large outlay as a reference to the Auditors' Report will show.

Under the head of permanent improvements may be mentioned the building of a wall bookcase in the Trustees' Room for holding new books until they are put into circulation or returned as undesirable; also the purchase and installation of one new double steel stack matching those with which the stackroom was originally equipped. This adds 11% to the capacity of the stackroom which is even now filled to the limit. In the near future the town will have to consider the advisability of duplicating the shelf space by the erection of a second tier of stacks and the balconies necessary to make them accessible, the room having been planned and built with this in view as the complete equipment.

Although not done under the direction or at the expense of this Board, it seems proper to mention here an improvement, permanent in character, which has been made by another department of the Town, the Board of Public Works. The concreting of the sidewalk on the Warren Street side of the Library has added materially to the appearance of the building as well as to the convenience of people reaching it by way of that street.

A reference to the statistical tabulations appended will show the number of books added, replaced, rebound, donated, etc.

Among standard works added may be mentioned the following:

"Encyclopaedia Britannica," 28 volumes and index, Eleventh Edition (Geo. Levi Woodbury Dike Fund); "Vo-

cations," 10 volumes, edited by Wm. DeWitt Hyde (Geo. Levi Woodbury Dike Fund); "The Children's Hour," 10 volumes, compiled by Eva March Tappan; "Photographic History of the Civil War," 10 volumes; "Shakespeare," 40 volumes, Rolfe's edition, (Trowbridge Donation).

An interested patron of the Library has very kindly loaned to the Reading Room the current numbers of the "National Geographic Magazine."

The statistics show that 409 new books were added, 27 replaced, and 385 rebound. This makes clear that replaced and rebound books outnumber (by 3) those newly purchased and put in circulation. The rebinding of so many books entails a heavy expense without adding to the number of books in the Library. This matter has been referred to in previous reports of this Board and should receive careful attention in recommending the appropriation.

As the matter of finances is thus touched upon, it is with some satisfaction that the Trustees look back over the expenditures of the Library for the years 1904-1911.

At the time the question of transferring the Library from rented quarters to a permanent home in its own building was being debated with some heat, the argument was advanced that the increased expense of maintenance would be a burden to the Town. The Chairman of the Board stated in reply that the Trustees were firmly convinced that the Library might be maintained for a number of years at only a nominal increase—that expenditures would not for some years exceed $2,500.00 per annum. The Auditors' Reports show that this estimate was a safe one as in no year since 1904 have the expenditures exceeded $2,500.00 or even approached dangerously near to that amount.

On the other hand the Board protests against treatment in the way of appropriations which it feels to be unfair to the public—to the people who use the Library. In

1906, when the attempt was made to reduce expenses in all departments, the Chairman, representing the Board, appeared before the Finance Committee and stated that the Trustees would undertake to conduct the affairs of the Library for that year on an appropriation $100.00 less than had been voted for a number of years, but that efficient management would demand the restoration of the $100 00 the succeeding year. The proposal of a reduction was cheerfully accepted by the Finance Committee but all attempts to have the appropriation put back to the amount of former years have met with signal failure. This has handicapped the Board in carrying out certain plans for extension and increased usefulness which they have had in mind.

With some increase in the appropriation, therefore, and with improved administrative efficiency, the Board might hope to accomplish, in addition to what it is now doing and for some years has been doing, some of the following aims:

(1) A closer co-operation between the Library and the schools which might include the explaining to groups of children the use of the card catalogue; how to call for books on card; where the general reference books are and how to use the simpler ones; getting together the best material in a convenient place where it may be consulted and where it is kept while needed for reference as the subject is being studied in school; the telling of stories to groups of children and assisting them to find books containing, or relating to, those stories; making of scrapbooks from illustrated periodicals and covering specific subjects, etc.

(2) Aid to clubs and societies in arranging programs and adding material after programs are made.

(3) Posting on bulletin lists of books on timely topics, e. g., (at time of writing), "Panama Canal," "Win-

ter," "Dickens," "Washington," "Lincoln," etc., also lists of articles in current magazines on topics of popular interest.

(4) Topical cataloguing of the extremely valuable publications of the National Government thus enabling students and others interested in the subjects treated to find this material and be benefitted by it.

(5) The collection and exhibition of pictures and prints and a careful explanation of their meaning and history.

These are a few of the ways in which the Trustees would like to see the usefulness and the efficiency of the Library improved and extended. We believe that the Town will support us in asking for an increased appropriation and in any effort to bring about conditions looking to the attainment of one or all of these aims.

A library is something more than a respository for books, and its management more than their delivery, charging, receiving and crediting.

As this report began with a quotation, it may properly close with one:

"The Library cannot simply mark time. It must either march forward or fall behind in its work."

For the ensuing year the Trustees recommend appropriations as folloys:

$1,800.00, unexpended balance, receipts and gross dog tax.

Report of the

Board of Public Works

To the Citizens of Stoneham:

The Commissioners of Public Works submit the following report for the year ending Dec. 31, 1911.

Mr. Henry H. Patten was elected as Commissioner for three years and the board organized as follows: Mr. Henry H. Patten, chairman, Mr. Ralph R. Patch, secretary, Mr. James A. Jones.

The board instituted a new policy in regard to the administration of the departments under its control. It was evident that under the old method, questions involving the expenditure of town funds were sometimes decided according to political expediency rather than in the interest of the town. For this and other reasons, politics have been eliminated from the town work so far as was possible. Mr. Harry M. Nalstedt, a civil engineer of wide training and experience, was placed in charge of departments, with full authority in matters of detail. To make his position effective he was given full authority to hire and discharge men. Under his supervision a marked gain in efficiency was made, in carrying on the town work. All who applied for work were given an opportuniy to show their fitness, preference being given to citizens resident and taxpayers in Stoneham. The men who did their best work in the town's interest were the men retained, without regard to political affiliations. We would recommend that the town work be at all times under the direction of a competent engineer as superintendent.

HIGHWAY DEPARTMENT

The laying of the gas mains by the Peoples' Gas and Electric Co. greatly complicated the work on highways. The plans for laying the pipes were not definite and as there was a possibility of tearing up many of our streets the board decided to go very slowly on highway work until the completion of work by the Gas Co.

The usual repairs to highways and sidewalks have been made and they are now in their usual condition of repair. Main St. is in very bad condition and we believe the town should choose between two policies; either leave it as it is, making repairs from time to time, or expend a sum sufficient to rebuild the street in a first class manner. In its present condition it serves better than any police force could to prevent overspeeding of automobiles, yet it is safely passable for teams.

The amount expended for special road surfacing was in excess of the estimate. This was partly on account of using asphaltic oil on Elm St. where Tarvia had been estimated. Although the first cost of the asphaltic oil is greater we believe the final cost will be less and that the asphaltic oil will make a better surfacing for the kind of traffic which Elm St. receives. It was intended to give Franklin and Marble Sts. a light, one season's coating, in the spring, but on account of the laying of the gas main a heavy coating was used after the trench was settled, which should reduce the cost of treatment in 1912.

A street sweeper has been added to our equipment.

CONCRETE

New concrete walks have been laid as follows: On the south side of Marble St., near Warren; Wright St., on the west side from Hancock St. to Hersam St.; Pond St. at the west side from Hancock St. to residence of Mr. Kollock; Franklin St. at the corner of Harrison, and Harrison St. at the corner of Franklin.

Repairs have been made on Central, Chestnut, Collincote, Elm, Gould, Franklin, Hancock, Harrison, High, Lincoln, Main, Pine, Pleasant, Pomeworth, Spring, Tidd, Warren, Washington and Wright streets.

DRAINS

In accordance with the rendered opinion of the town counsel a 20-inch tile pipe was laid in the drain running north from Hancock street, abutting land of Wallace, Buxton and Sprague.

We here include a financial summary of the year's work in the Highway Department.

HIGHWAY DEPARTMENT

STREET	APPRO. RECEIPTS ASSESS.	EXPEND.	UNEXPEN.	OVER-DRAWN

WATER AND SEWER DEPARTMENTS

The water and sewer departments were in a condition of disorganization and the principal efforts of Mr. Nabstedt were directed towards these departments. The long prevailing custom of delay in reporting the cost of construction of water and sewer services was corrected. heretofore these reports have been returned by the foreman from

one to nine months after the work was finished and were incomplete and inaccurate. On this account some overpaid for work done and some did not pay enough, while at all times there was a considerable sum of money tied up in the hands of the treasurer, which could neither be used by the town nor returned to the taker. During the administration of Mr. Nabstedt an accurate, detailed report was promptly returned on all service construction and the transaction settled in a businesslike manner.

A study of the accompanying chart of water consumption will show that we have made a very credible showing during the year in reducing the waste. Points marked A on the chart represent points of highest consumption during the summer droughts; points B mark high points during the winter freezes; C and D are the lowest points between these two extremes. By comparison of corresponding points you will see that the consumption was steadily on the increase until the spring of 1911, when a very marked decrease began. This decrease was co-incident with Mr. Nabstedt's taking charge of the department, and as a few less meters were set than in 1910, this decrease was due largely to promptness and efficiency in detecting and repairing main leaks. On account of this decerase the town's assessment to the state will be a little more than one thousand dollars less in 1912, than 1911.

We insert a cut showing the waste of water caused by leaks of various sizes. This is shown to impress upon every water taker the importance of promptly repairing even the smallest leak. The town will soon face a large expenditure for the replacement of old mains. If this can not be met by economies within the department it will have to be met by an increased tax. If our consumption during 1911 had been 45 gallons per capita, per day, our state tax for 1912 would be $6,800 instead of $10,200 as estimated on Jan. 1st.

Under ordinary conditions in the town of Stoneham, the cost per day for water wasted, for the several sizes of streams as shown above will be approximately as follows: 1 inch, $21.00; 3-4 inch, $18.50; 1-2 inch, $10.50; 1-4 inch, $3.00; 1-8 inch, $1.15; 1-16 inch, $.23; 1-32 inch, $.11; 1.64 inch, $.02.

This data is taken from a series of tests made by a water meter company.

WATER SERVICES

Thirty-six new services and forty-two relays have been made; a total distance of 1605 ft. at a cost of 53 cents per 826 were metered, there having been 191 meters installed during 1911.

The cost of water maintenance for 1911 was $33,825.59, foot. Total services in use Dec. 31, 1911, 1491. Of these distributed as follows: debt, $5,000.00, interest, $3,322.50, state tax, $11,255.28, labor, $5,933.73, material, $6,227.88, registrar, $200.00, expenses, $1,886.20.

Total			10516.69		$9497.54	Appro.	$1934.70

*Underdrain. +Balance

The call for bids on the Main street sewer was delayed until work became scarce, so we were able to get a very low bid from a responsible contractor. The town was fortunate to get so good work at so low a price.

SEWER MAINTENANCE

Appropriation $1,800.00; labor, $1,382.34; material and expense, $335.90; unexpended, $81.76; total, $1,800.00.

H. H. PATTEN,
R. R. PATCH,
Commissioners of Public Works.

Report of the

Overseers of Poor

To the Citizens of Stoneham:

The Board of Overseers of the Poor submit the following report for the year ending December 31, 1911:

At the beginning of the year in March the Board organized as is required by law, with John G. Beede superintendent of the farm, as previously, James H. White, warden, and Mrs. White, matron. These have given very efficient care and attention to their many and ardous duties, with some hired help and what could be rendered by the inmates.

As the spring work came on it was evident that a new horse was needed, the old one of twenty years having lost her usefulness, and later in the summer when the last load of hay was in, it was discovered that something serious was the matter. The faithful old beast was unharnessed and led out into the field and in a short time was dead.

To raise hay and fodder enough and find pasturing for the large herd of cows has been quite difficult, but by hiring ten acres adjoining the farm and buying some standing grass, Mr. White thinks he will be able to feed the stock during the winter.

We had to meet the items of repair as is the case with all old buildings. We intended to repair the front of the barn, especially the large and small doors, which could be opened and closed only with difficulty. Mr. Alonzo Hoyt was employed. He found that almost the entire sill and part of the boarding were decayed. Therefore the Board decided to make a thorough piece of work underneath and

put on a cupola, to ventilate the hay loft and make the barn more sanitary.

The receipts from the farm have exceeded our expectations, especially considering the dry season. They are as follows:

Milk	$2,991.11
Cows and calves	147.50
Poultry and eggs	34.80
Board	140.50
Pork and pigs	40.05
Sundries	12.50
	$3,366.46

The number of inmates January 1, 1911, was twelve. During the year there have been sixteen admissions, fourteen discharges and three deceased. Five of the inmates have reimbursed the town, three for the full amount and the others in part.

NAMES OF INMATES, JANUARY 1, 1912

Samuel Gerry
Margaret Bailey
John B. Clough
Mary Cass
Jesse K. Green
Albert A. Waite
Kate Purcell
John F. Cunningham

Land, Lot A, North of Elm St. to Broadway, 12.41 acres		4,150.
Land, Lot B, North of Broadway, corner of Park Avenue, 3.836 acres		750.
Land, Lot C. South of Broadway, from Park Avenue to Keene Street, 6.112 acres		2,150.
Land, Lot D, South of Broadway from Keene Street to High Street, 2.964 acres		5,165.

OUTSIDE POOR

One hundred and twenty have received aid during the year, ninety-two of these having been assisted in their own homes. Two infants and three helpless women were boarded in private families, and one was placed in a home. One woman was cared for gratis at the New England Sanitorium in the maternity ward.

INSTITUTIONAL CASES

One child died at the State Infirmary, one boy is at

the Massachusetts Hospital School (permanent case), three were given treatment at city hospitals, one at the workshops of the Commission for the Blind, thirty-seven had settlements in other cities and towns, seven had settlement in the State. For a detailed account of receipts and expenditures see report of the Auditors.

Respectfully submitted,
WALTER C. BANCROFT,
JOHN G. BEEDE,
SYLVESTER A. LAWRENCE.

TOWN PHYSICIAN'S REPORT

To the Overseers of the Poor:

I have made 138 outside visits and have had 48 office calls. There has been 6 deaths among the town patients during the year, three at the town farm and three among those who are being cared for outside. At present no one is seriously ill, though several are suffering from chronic ailments.

Respectfully yours,
GEORGE W. NICKERSON, M. D.

Report of the

Trustees of Lindenwood Cemetery

To the Citizens of Stoneham:—

Gentlemen:—Following is report of the financial transactions for the year 1911, viz:

Received from sale of 10 lots	$406.20
Received from sale of 11 graves	130.00
Received for care and maintenance of lots	651.24
Received for foundations	40.75

REBUILDING WALL, OLD BURYING GROUND

Appropriation	$25.00
Expended	13.00
Unexpended	$12.00

For all details see reports of Auditors and Treasurer.

We shall ask for the unexpended balance to be appropriated for the use of the cemetery for 1912.

Respectfully submitted,

FRED E. NICKERSON,
CHARLES C. DIKE,
DAVID A. ABBOTT,
WINFRED DIKE,
CHARLES W. MESSER,
Trustees, Lindenwood Cemetery.

Report of the

Board of Health

To the Citizens of Stoneham:

The Board of Health respectfully submit their report for the year ending December 31, 1911. The general health conditions of the town have been fairly satisfactory. But few complaints have been made to the board about minor nuisances during the year.

The odors from refuse of the Stoneham Tanning Company's plant were offensive at times during the Summer and official notice ordering them to cease emptying fluid from their factory on land owned by them in the rear of same, was served on said company.

July 1, 1911, the following law went into effect, making it the duty of the State Board of Health to eliminate such odors:

(CHAP. 291.)

An Act to Provide for the Protection of the Public Health in the Vicinity of the Towns of Winchester and Stoneham and the City of Woburn.

Section 1. The state board of health is hereby authorized and directed to prohibit the entrance or discharge of sewage into any part of Aberjona river, or its tributaries, and to prevent the entrance or discharge therein of any other substance which might be injurious to public health or might tend to create a public nuisance.

Section 2. The board shall consult and advise with the owner of any factory or other establishment situated on or near the said river or any of its tributaries, at his request or of its own motion, as to the best practicable

and reasonably available means of rendering the waste or refuse therefrom harmless.

Section 3. The supreme judicial court or any justice thereof, and the superior court or any justice thereof, shall have jurisdiction in equity to enforce the provisions of this act, and any order made by the state board of health in conformity therewith. Proceedings to enforce any such order shall be instituted and prosecuted by the attorney-general upon the request of the state board of health.

Section 4. Whoever permits the entrance or discharge into any part of Aberjona river, or its tributaries, of sewage or of any other substance injurious to public health or tending to create a public nuisance shall be punished by a fine not exceeding five hundred dollars for each offence.

Section 5. This act shall take effect on the first day of July in the year nineteen hundred and eleven. (Approved April 14, 1911.)

Odors from the American Glue Company's plant on Maple street have been repeatedly complained of by residents in its vicinity this past year. On August 1st Dr. Sheehan, Mr. Hinchcliffe and town counsel Richardson for the town, and Attorney Hiler and Mr. Upton representing the American Glue Company, carefully inspected the entire Maple street plant. Recommendations were made by the local health board to improve the sanitary conditions of the same. The company agreed to conform to them. Conferences were held by Town Counsel Richardson and their legal representative, Mr. Hiler, to adjust the same, and the company has sent the following report:

Boston, Jan. 24, 1912.

Mr. George A. Hinchcliffe, Sec'y.,
Board of Health, Stoneham, Mass.,

Dear Sir:

With reference to certain improvements made at our Stoneham factory during the past six months, we beg to inform you that we have expended upwards of $2,000.00

covering the following items:

1. The outside of the buildings have been painted.
2. A six-foot fence has been erected enclosing the approach to the factory, both on the railroad and street side.
3. The stable has been removed from its former location on the street corner to the rear of the factory, a distance of some five hundred feet.
4. Cement floors have been laid.
5. The interior of the factory has been cleaned and whitewashed.
6. A new floor has been laid in the cutting room.
7. The general appearance of the plant has been much improved.

Any suggestion that you gentlemen can give us regarding the further improvement of the conditions at this plant will be carefully considered, as we wish to co-operate with you in every way possible.

Yours very truly,

AMERICAN GLUE COMPANY,
THOS. COURTIS,
Assistant Purchasing Agent.

The urgency of connecting every building in town with the public sewer,—where such sewer is maintained, becomes more pertinent every year, if we would prevent sickness in our town. Dr. Morse, of the State Board of Health, condemned one well in town which he thought was the cause of five cases of sickness.

Forty-two permits to keep swine were granted by the board during the past year, and never has the town been so free from complaints about noxious piggery odors, as now, under regulated control by the board of the same.

Our service on removal of ashes and collection of swill has not been wholly satisfactory to the people served or to the board. This was due largely to low contract price, and contractor changing help. December 31, that

part of Mr. Collins' contract referring to removal of ashes, (on account of unsatisfactory service) was terminated by the board for the town, with the assent of said Collins, Mr. Collins to collect the swill, as heretofore, at $25.00 per month to May 1, 1912. A new contract for the removal of ashes in the town, to May 1, 1912, was made with Mr. John Doherty, of this town, at the rate of $836.00 per year, by the Board of Health for the town. Mr. Doherty agreed to furnish two double teams to do the same.

Clean yards and cellars, comparing favorably with other towns in the Metropolitan belt, are the rule now, and not the exception in Stoneham.

Settlement cases of contagious diseases, sent to hospitals in other cities and towns have become a serious question for the tax-payers of our town to solve. Two cases—one in Melrose, for $57.50, and one in Lynn, for $100.00, were paid out of the general appropriation for the board expenses this year, after suits had been entered against the town for collection of same. We now have pending one bill from Boston, of $24.29, and two bills of the Commonwealth, for $258.29 and $1.71 respectively, that the town must pay. Further, if settlement can be fixed on the town, another case that will cost more than $600.00. In these cases and others the town counsel has been of much assistance to the board.

New laws of 1911 have placed the responsibility of caring temporarily for insane cases, appointment of slaughtering inspector, and licensing of those practicing manicuring and massage, with boards of health.

We recommend that the town make some provision for the purchase and ownership of several parcels of unimproved land for public dump purposes.

For other details of our work you are referred to the reports of our Agent, George N. Green; Milk Inspector, Dr. Geo. H. Allen; Inspector of Slaughtering, Geo. H.

Allen; and our Inspector of Plumbing, Andrew J. Burnett. They all have rendered efficient service to the town.

Respectfully submitted,
MARTYN D. SHEEHAN, M. D.,
GEORGE A. HINCHCLIFFE,
JOHN C. C. SMALL,
Board of Health.

Stoneham, Mass., January 1, 1912.

To the Board of Health,
Stoneham, Mass.,

Gentlemen:—I herewith submit the following report for the year ending December 31, 1911:

Report of Inspector of Plumbing

Stoneham, January 1, 1912.

To the Board of Health,
Stoneham, Mass.,
Gentlemen:—I submit the following as the annual re-

port of the plumbing inspection for the year ending December 31, 1911:

Number of applications received	75
Number of permits granted	75
Number of new buildings connected with sewer	7
Number of old buildings connected with sewer	32
Number of new buildings connected with cess-polls	5
Number of old buildings connected with cess-pools	12
Number of sinks installed	56
Number of trays installed	19
Number of water closets installed	71
Number of bath tubs installed	40
Number of wash bowls installed	43
Number of new traps installed	19
Total number of fixtures installed	304

Respectfully submitted,
ANDREW J. BURNETT,
Inspector of Plumbing.

Milk Inspector's Report

To the Board of Health,

Gentlemen:—In reporting my doings as Milk Inspector I will say that I have given more time to the sanitary conditions than to anything else and think they will now compare favorably with other towns, but are still following some of them up and unless they comply with my requests I shall call on the State Board. I want to give them a fair chance and think I have done so. Thanking the local Board for the support and courtesy shown me, I remain,

Yours truly,
GEORGE H. ALLEN, Milk Inspector.

Meat Inspector's Report

To the Board of Health,

Gentlemen:—In my report of slaughter houses I beg to say that there still exist some diseases in hogs and I

have condemned several whole carcases and more parts of them. I have tried to do my duty and protect the people, who now look for protection in that way by getting better meat.

Yours truly,

GEORGE H. ALLEN, Inspector of Meat.

Report of the

Board of Assessors

To the Citizens of Stoneham:—

We respectfully submit the following report of the valuation of Estates, Real and Personal, assessed in the Town of Stoneham, Commonwealth of Massachusetts, for the year 1911:

Value of buildings, excluding land	$2,524,225.00
Value of land, excluding buildings	2,054,555.00
Total	$4,578,780.00
Total value of personal property	530,504.00
	$5,109,284.00

Tax rate $20.70 on $1,000

Tax on real estate	$94,787.90
Tax on personal estate	10,982.43
Tax on polls	4,582.00
Total	$110,352.33

ASSESSED AND APPROPRIATED

Town grant	$93,669.73
State tax	7,700.00
County tax	4,916.23
Sewer tax	5,346.50
Park tax	2,963.94
Water tax	11,255.28
Wellington Bridge tax	227.92
State Highway tax	79.00

Charles River Basin tax	1,234.42
	$127,393.02
Less water and other taxes	19,122.19
	$108,270.83
Overlayings	2,081.50
	$110,352.33

When the report of the committee in the matter of a survey of the town, (with plans which would enable the Assessors to know the exact area of each lot of taxable real estate) was to be acted upon, the Assessors naturally expected the citizens would vote to have the survey carried out, as the Finance Committee, according to their best judgment, recommended that it be done, being in the line of economy.

When the article in the town warrant regarding this subject was brought up, it was side-tracked; and it was represented that it could be done by our Superintendent of Streets during his spare time, and at small cost. Now with the care of the sewer, water, sidewalks and streets in the hands of the Superintendent, no spare time could possibly be left him for a survey of the town.

The Assessors think, in order to be abreast of the times, the survey should be made, and recommend that it be done, and by parties making that their special business.

As we have an active Board of Trade, who are doing a great deal to call the attention of home seekers to the advantages of coming here to locate, we think the outlook for Stoneham in the near future is good, and new residents will receive the encouragement of the citizens to help build up the town.

With good schools, good churches, a fine Public Library, Metropolitan water and sewer, also twelve hundred

acres of our town land located in the Middlesex Fells, and with rapid transit to Sullivan square, we fail to see why Stoneham does not offer great inducements to outsiders to come here for settlement, and also from the fact that we are within nine miles of Boston. Last year we had between two and three hundred tranfers of property sold in the town, and the outlook for 1912 promises many more. We are now on the map, and outsiders can locate Stoneham without much trouble.

Whenever strangers come among us, let us try to show them the advantages Stoneham possesses over many towns of the same valuation in this Commonwealth.

There were 33 cities and 321 towns in Massachusetts April 1, 1911.

Highest rate, viz, $26, assessed in Town of Merrimack, County of Essex. Lowest rate, viz, $3, in Town of Bolcans, County of Barnstable. Rates from $5 to $9.25 assessed in 18 towns; $10 to $14.40 in 87 towns; $15 to $19.90 in 27 cities and 168 towns $20 to $25.60 in 6 cities and 46 towns.

JOHN BEST,
GEORGE W. NEWHALL,
ALFRED P. RHOADES,
Assessors of Stoneham.

Report of the

Park Commissioners

To the Citizens of Stoneham:

We respectfully submit the following report for the year ending December 31, 1911.

At a meeting held March 14, 1911, the town voted to purchase a tract of land situated at the corner of Washington and Pomeworth streets for a public playground, and appropriated the sum of six thousand dollars for that purpose. The land was purchased by the Selectmen, and on July 11, 1911, was turned over to the Park Commission.

The fence around the ball ground being unsightly and dangerous, we thought it advisable to sell and the money turned into the town treasury.

On the twenty-seventh day of October the town appropriated the sum of $491.86 for the purpose of having a preliminary survey of the premises, a plan of the improvements needed and estimates of the cost.

William Butler Jones, C. E. made the survey and made estimates of cost, and Mr. John Nolan made the plans showing needed improvements; the survey, estimates and plan of improvements will be presented to the town at the annual meeting in March under a proper article in the warrant.

For detailed expense incurred in making survey, estimates, plans and improvements and expenses incidental thereto, see Auditor's report.

SLYVESTER A. LAWRENCE,
HERBERT P. HOWE,
JOHN A. WALSH,
Commissioners.

Report of the

Tree Warden

To the Citizens of Stoneham:

With an appropriation of but $250 for care of shade trees, and with the Elm Leaf Beetle threatening the destruction of all our elm trees, besides necessary trimming and removing dangerous dead limbs and the cutting of numerous dead trees, the Tree Warden found himself confronted with a perplexing problem.

Elm trees were sprayed in localities where the danger of destruction seemed most eminent, and some trimming done where the need seemed greatest. All dead trees were removed, two dangerous trees bolted and some zinc patching done.

The Tree Warden purchased twelve Norway Maples which were planted on Pomeworth street.

At the last annual meeting, the sum of forty dollars was appropriated for the removal of six trees standing on Elm street; this work was done at a cost of $34.05.

As there seems to be no abatement of the Elm Leaf beetle nuisance the town should appropriate at least the sum of $300 for the care of shade trees for the year 1912.

Respectfully submitted,

GEORGE M. JEFTS,
Tree Warden.

		$172,553.80
Net balance against town, 1912		$79,546.20
Against corresponding amount for 1911		69,111.38
Amount of indebtedness as per 1911 report		$246,100.00
Of which the following have been paid:		
April 21, 1911. Anticipation of taxes	$10,000.00	
April 26, 1911. Anticipation of taxes	10,000.00	
May 16, 1911. Anticipation of taxes	20,000.00	
April 1, 1911. School bonds	3,000.00	
May 1. Water bonds	5,000.00	
June 1, 1911. Sewer bonds	4,000.00	
		$52,000.00
		$194,100.00

Following are new loans, viz:

Due May 10, 1912, anticipation of taxes	$20,000.00	
Due June 14, 1912, anticipation of taxes	10,000.00	
Due June 15, 1912, anticipation of taxes	10,000.10	
Due May 1, 1930, water bonds	2,000.00	
Due May 1, 1931, water bonds	1,000.00	
Due June 1, 1928, sewer bonds	1,000.00	
Due June 1, 1929, sewer bonds	5,000.00	
Due June 1, 1930, sewer bonds	3,000.00	
Due May 1, 1912, purchase of playground	1,000.00	
Due May 1, 1913, purchase of playground	1,000.00	
Due May 1, 1914, purchase of playground	1,000.00	
Due May 1, 1915, purchase of playground	1,000.00	
Due May 1, 1916, purchase of playground	1,000.00	
Due May 1, 1917, purchase of playground	1,000.00	
		$58,000.00
		$252,100.00

Amount of present list

Divided as follows, viz:

Anticipation of taxes	$40,000.00	
Library	100.00	
New High School	23,000.00	
Water	95,000.00	
Sewer	88,000.00	
Playground	6,000.00	
		$252,100.00

Bonds unsold:

Water 3½s, issue of 1901, One.
Water 4s, issue of 1908, Four.
Sewer 4s, issue of 1911, Two.
School 3½s, issue of 1901, Seven.

For authority of new loans see Town Clerk's report.

I would recommend the following appropriations for 1912, viz:

Payment of interest	$6,100.00
Payment of debt, school, sewer and playground	8,000.00

Yours respectfully,

W. PADILLA GRAY, Treasurer.

TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To Sumner H. Green, or either of the Constables of the Town of Stoneham, in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the town of Stoneham, qualified to vote in elections and town affairs, to meet in Armory Hall in said town on

Monday, the Fourth Day of March

A. D. 1912, at FIVE O'CLOCK and FORTY-FIVE MINUTES in the forenoon, to act on the following articles of this warrant:—

ARTICLE 1. To choose, by ballot, a moderator to preside at said meeting.

ART. 2. To choose a Town Treasurer, three Selectmen, three Overseers of the Poor, three Constables, two Auditors, a Tax Collector and a Tree Warden, all for one year; also a Town Clerk, one Assessor, one Commissioner of Public Works, one member of the School Committee, one member of the Board of Health, one Park Commissioner and two Trustees of the Public Library, all for three years; also one Trustee of Lindenwood Cemetery for five years; also to vote "Yes" or "No" in answer to the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?" all on one ballot, in accordance with the votes of the town and the Revised Laws of Massachusetts.

The polls will be opened at five o'clock and forty-five minutes in the forenoon, and may be closed at four o'clock in the afternoon.

ART. 3. To choose all other necessary Town Officers for the ensuing year.

ART. 4. To hear the reports of Town Officers and Committees and to act thereon, and to choose Committees.

ART. 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

ART. 6. To see what sum of money the town will vote to raise and appropriate for repairs and decoration of soldiers' graves for the year ensuing.

ART. 7. To see what sum of money the town will vote to raise and appropriate for the purchase of books, and for the support of the Free Public Library and Reading Room for the year ensuing.

ART. 8. To see in what manner the town will appropriate the money received for the licenses of dogs.

ART. 9. To see if the town will authorize its Treasurer to hire money for the use of the town, under the direction of the Selectmen.

ART. 10. To see if the town will vote to pay the premiums on the bonds of the Town Treasurer and Tax Collector, make an appropriation for the same, or do anything in relation thereto.

ART. 11. To see if the town will authorize the Collector to use all means of collecting taxes, which the Town Treasurer may use when appointed Collector.

ART. 12. To see if the town will vote to grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year when not otherwise engaged.

ART. 13. To see if the town will vote to grant the free use of Armory Hall to Leon E. Warren Camp 31, U. S. W. V., five evenings in the coming year when not otherwise engaged.

ART. 14. To see if the town will vote to grant the free use of Armory Hall to the High School Alumni Association one evening in the coming year when not otherwise engaged.

ART. 15. To see if the town will vote to grant the free use of Armory Hall to the Stoneham High School Cadets two evenings in the coming year when not otherwise engaged.

ART. 16. To see if the town will vote to grant the free use of Armory Hall to the Senior Class in the High School one evening in the coming year when not otherwise engaged.

ART. 17. To see if the town will vote to grant the free use of Armory Hall to the Stoneham Fire Department one evening in the coming year when not otherwise engaged.

ART. 18. To see if the town will vote to grant the free use of

Armory Hall to the Stoneham High School Athletic Association one evening in the coming year when not otherwise engaged.

ART. 19. To see if the town will vote to fix the time for allowing discounts on taxes, and also fix the time when uncollected taxes shall go on interest; fix the rate of discount to be allowed, and the rate of interest to be charged, and take such other action as may be necessary in relation to the same.

ART. 20. To see if the town will vote to water the streets of the town, or any of them, or do anything in relation to the same.

ART. 21. To see what sum of money the town will raise and appropriate for the purpose of grading and preparing the base ball field and running track on the playground, and for the preparing the ground and setting out trees thereon in other sections of the playground; pass any votes or take any action relative thereto.

ART. 22. To see if the town will vote to have a complete survey and plan of each parcel of real estate in the town, for the use of the Assessors and for other purposes; make an appropriation for the same, or do anything in relation thereto.

ART. 23. To see if the town will vote to abolish the office of Commissioners of Public Works authorized under Chapter 263, Acts of 1902; pass any vote or take any action necessary to carry out the will of the town relative thereto.

ART. 24. To see what sum of money the town will appropriate for the maintenance of sewers the year ensuing.

ART. 25. To see if the town will authorize the Board of Health to make contracts for one or more years for the collection of garbage and collection of ashes, or do anything in relation thereto.

ART. 26. To see if the town will appropriate the unexpended balance from the appropriation for the collection of ashes and garbage in the year 1911, amounting to the sum of two hundred and seventy-nine dollars and eighty-five cents, ($279.85), to be expended in paying for existing contracts expiring May 1, 1912; and raise and appropriate the sum of $1,350 for the collection of ashes and garbage from May 1, 1912 to May 1, 1913, or do anything in relation to the same.

ART. 27. To see what sum of money the town will raise and appropriate for the purchase of a parcel or parcels of land to be used as a public dump.

ART. 28. To see if the town will vote to elect its selectmen

at the next annual election in the following manner: One for the term of one year, one for the term of two years, and one for the term of three years, and at each annual meeting thereafter elect one for the term of three years, as provided in Chapter 560, Section 367, of the Acts of the year 1907.

ART. 29. To see if the town will vote to sell any of the Fire Department apparatus, or do anything in relation thereto.

ART. 30. To see if the town will vote to purchase 1,500 feet of hose for the use of the Fire Department, and make an appropriation for the same.

ART. 31. To see if the town will vote to purchase an Automobile Combination Chemical and Hose Truck for the Fire Department at a price not to exceed five thousand nine hundred ($5,900) dollars, make an appropriation for the same, or do anything in relation thereto.

ART. 32. To see if the town will vote to have one permanent man in the Fire Department and make an appropriation for the same.

ART. 33. To see if the town will vote to raise and appropriate a sum of money to be expended by the Tree Warden in purchasing and planting trees in Central square and in approaches to Central Square.

ART. 34. To see if the town will request the officers having jurisdiction over the poles and wires located in the streets of the town, to order, so far as practicable, all wires belonging to the Edison Electric Illuminating Company, the New England Telephone and Telegraph Company, the Bay State Street Railway Company and the wires of the fire alarm system belonging to the town, located in public squares in the town, placed under ground.

ART. 35. To see if the town will vote to appropriate the sum of six hundred dollars ($600) for the purpose of purchasing a spraying machine to be used in the work of suppressing the Brown Tail and Gypsy Moths and other moths or beetles in the town, or do anything in relation thereto.

ART. 36. To see if the town will vote to authorize the Board of Public Works to engage the services of a competent Civil Engineer, make an appropriation therefor, or do anything in relation to the same.

ART. 37. To see if the town will vote to locate a Fire Alarm Box on Pond street near the entrance to Phinney Terrace, make an

appropriation for the same, or do anything in relation thereto.

ART. 38. To see if the town will vote to locate a hydrant on Main Street near Rolfe's Hotel, make an appropriation for the same, or do anything in relation thereto.

ART. 39. To see if the town will vote to locate a hydrant on or near Duncklee avenue, make an appropriation for the same, or do anything in relation thereto.

ART. 40. To see if the town will vote to authorize the Selectmen to retain counsel for the ensuing year, and make an appropriation for the same.

ART. 41. To see what sum of money the town will appropriate for the necessary expenses of the Board of Health for the ensuing year.

ART. 42. To see if the town will vote to appropriate the unexpended balance of two hundred dollars, appropriated under authority of Chapter 49, Revised Laws, in March, 1911, said sum to be at the disposal of the Board of Health to make sewer connections.

ART. 43. To see if the town will vote to accept, under the provisions of Chapter 50 of the Revised Laws, the street leading northerly from Curve road and known as Moulton avenue, as laid out by the Selectmen.

ART. 44. To see if the town will vote to lay a water main in and through Moulton avenue, from the present main therein northerly for a distance of 150 feet; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

ART. 45. To see if the town will vote to accept Sections 1 to 13 inclusive of Chapter 104 of the Revised Laws, said sections relating to building laws in towns.

ART. 46. To see if the town will vote to accept Chapter 367, Acts of 1911, an Act relative to the use of school halls for other than school purposes.

ART. 47. To see if the town will vote to maintain a night school the ensuing year, make an appropriation for the same, or do anything in relation thereto.

ART. 48. To see what action the town will take toward procuring proper fire protection for its public records.

ART. 49. To see if the town will vote to repair High street, between Elm street and Broadway, make an appropriation for the same, or do anything in relation thereto.

ART. 50. To see if the town will vote to repair Main street from Marble street to Elm street, make an appropriation for the same, or do anything in relation thereto.

ART. 51. To see if the town will vote to repair Montvale avenue from Main street to the railroad tracks, make an appropriation for the same, or do anything in relation thereto.

ART. 52. To see if the town will vote to repair Chestnut street, make an appropriation for the same, or do anything in relation thereto.

ART. 53. To see if the town will vote to extend the sewer in and through Gould street from the existing sewer therein, easterly to a point opposite the residence of Arthur N. Newhall; raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any vote or take any action relative thereto.

ART. 54. To see if the town will vote to extend the sewer in and through Stevens street from the existing sewer therein, southerly to a point opposite the residence of William H. Jones; raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any vote or take any action relative thereto.

ART. 55. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way called "Brackett avenue" leading from Elm street southerly for a distance of six hundred sixty-one and thirty-nine one hundredths (661.39) feet, as laid out by the Selectmen; make an appropriation for the same, or do anything in relation thereto.

ART. 56. To see if the town will accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way called "Norval avenue" leading from Elm street southerly for a distance of five hundred eighty-seven and fifteen one hundredths (587.15) feet, as laid out by the Selectmen; make an appropriation for the same, or do anything in relation thereto.

ART. 57. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Garden road" leading from Green street westerly for a distance of 1360 feet, as laid out by the Selectmen; make an appropriation for the same, or do anything in relation thereto.

ART. 58. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Stonecroft avenue" leading southerly from

Elm street for a distance of 686 feet, as laid out by the Selectmen; make an appropriation for the same, or do anything in relation thereto.

ART. 59. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Vernon avenue" leading easterly from the private way called "Stonecroft avenue" 201 feet to an angle; thence southerly for a distance of 364 feet to the private way called "Garden road", as laid out by the Selectmen; make an appropriation for the same, or do anything in relation thereto.

ART. 60. To see if the town will vote to lay a water main in and through Brackett avenue from Elm street to Garden road, in and through Garden road from Brackett avenue to Norval avenue, and in and through Norval avenue, from Garden road to Elm street; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote, or take any action relative thereto.

ART. 61. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Peabody road" leading easterly from Main street for a distance of five hundred and eighty (580) feet, as laid out by the Selectmen, or do anything in relation thereto.

ART. 62. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Middlesex road" lying easterly from Main street and parallel thereto, and running northerly and southerly from Peabody road, as laid out by the Selectmen, or do anything in relation thereto.

ART. 63. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Rowe Hill road" leading northerly from Peabody road a distance of three hundred thirty-five and seventy-five one hundredths (335.75) feet to its terminus, as laid out by the Selectmen, or do anything in relation thereto.

ART. 64. To see if the town will vote to accept as a public town way, under the provisions of Chapter 50 of the Revised Laws, a private way known as "Fells road" leading southerly from Peabody road a distance of two hundred forty-three and thirty-five one hundredths (243.35) feet, as laid out by the Selectmen, or do anything in relation thereto.

ART. 65. To see if the town will vote to lay water mains in and through Peabody road, Middlesex road, Rowe Hill road and

Fells road; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote, or take any action relative thereto.

ART. 66. To see if the town will vote to lay new floors in the halls and school rooms in the Dean School building, at a cost not to exceed $1,140, or do anything in relation thereto.

ART. 67. To see if the town will vote to refinish the wood work and tint the walls in the Dean school building at a cost not to exceed $300, or do anything in relation thereto.

ART. 68. To see if the town will vote to change the plumbing in the toilet rooms of the High school building so as to flush differently with a view to the saving the waste of water, at a cost not to exceed $600, or do anything in relation thereto.

ART. 69. To see if the town will vote to paint the outside of the East, North and South school buildings at a cost not to exceed $600, make an appropriation for the same, or do anything in relation thereto.

ART. 70. To see if the town will vote to give the free use of Armory Hall to the public schools, May 29, 1912, for the annual Memorial day exercises.

ART. 71. To see what sum of money the town will appropriate to grade the lot on Franklin street purchased for school purposes.

ART. 72. To see if the town will vote to build a school house on the lot of land on Franklin street, purchased for that purpose; make an appropriation for the same, or do anything in relation thereto.

ART. 78. To see if the town will vote to lay a water main in and through Main street from the existing main therein at South street, northerly to Phinney's Lane, so called; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

ART. 79. To see if the town will vote to adopt the following by-law:-No wooden buildings or buildings with shingle roofs, shall be erected in the town within the following limits:—Between Hancock street on the south and Montvale avenue on the north; and between Wright street on the west and Pine street on the East; or do anything in relation thereto.

ART. 80. To see if the town will vote to concrete the sidewalk on Perkins and Rockland streets, with edgestone on corner, under the provisions of Chapter 49, Section 43 of the Revised Laws; make an appropriation for the same, or do anything in relation thereto.

ART. 81. To see if the town will vote to concrete the sidewalk on the west side of Wright street from Montvale avenue to Gilmore street, with a cross walk to east side of street at Gilmore street, under the provisions of Chapter 49, Section 43, of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 82. To see if the town will vote to concrete the sidewalk on the east side of Lincoln street from Hancock street, southerly to Winthrop street, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 83. To see if the town will vote to concrete the sidewalk on the northerly side of Flint avenue from Main street westerly to Rowe street, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 84. To see if the town will vote to concrete the sidewalk on the southerly side of Pleasant street from Central street easterly to existing concrete near land of A. E. Hersey, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART 85. To see if the town will vote to concrete the sidewalk on the westerly side of Charles street under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 86. To see if the town will vote to concrete the sidewalk on the northerly side of Avon street for a distance of 120 feet from near house of Charles P. Brawley easterly to the angle in said street, and also concrete the sidewalk on the easterly side of said Avon street northerly to the northerly line of land of George E. Hyde, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 87. To see if the town will vote to concrete the sidewalk on the westerly and northerly sides of Summer street, from Franklin street to Main street where concrete does not now exist, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 88. To see if the town will vote to sell the land located at the corner of High street and Broadway, or do anything in relation thereto.

ART. 89. To see if the town will vote to construct a sidewalk on the easterly side of Pond street from the existing walk therein near the house of Mary W. Wood southerly to the Middlesex Fells Reservation, make an appropriation for the same, or do anything in relation thereto.

ART. 90. To see if the town will vote to construct a sidewalk on the westerly side of Main street from the end of the walk near the house of David W. Gerry southerly to South street, make an appropriation for the same, or do anything in relation thereto.

ART. 91. To see if the town will vote to construct a sidewalk on the northerly and easterly sides of Collincote street from the end of the walk at land of E. A. Colby northerly, and appropriate the sum of $100 for that purpose.

ART. 92. To see if the town will vote to regrade the sidewalk on the easterly side of Main street from Elm street to Broadway, make an appropriation for the same, or do anything in relation thereto.

ART. 93. To see if the town will vote to concrete the sidewalk on the easterly side of Rowe street, from Lindenwood road southerly for a distance of seventy-five feet, under the provisions of Chapter 49, Section 43 of the Revised Laws, make an appropriation for the same, or do anything in relation thereto.

ART. 94. To see what sum of money the town will appropriate for the celebration of the fourth of July.

ART. 95. To see if the town will enlarge the drain through land of Sarah T. Park on Hancock street, make an appropriation for the same, or do anything in relation thereto.

ART. 96. To see what action the town will take in the suits for damages brought against the town by William E. Danforth, William J. Whally and Alexander B. McIntosh for alleged personal injuries.

ART. 97. To see if the town will vote to construct a sewer in and through Columbus avenue, from Isabella street westerly for a distance of 329 feet; raise and appropriate money therefor by sale of sewer bonds or otherwise; pass any vote or take any action relative thereto.

ART. 98. To see if the town will vote to raise and appropriate the sum of fifteen hundred dollars, the whole or part of same to be used toward the purchase of a suitable lot for the Armory site in conjunction with the sum allowed by the state.

ART. 99. To see if the town will appropriate the sum of $400 toward the purchase of a complete set of 100 rifles for the use of the Stoneham High School Cadet Battalion.

ART. 100. To see if the town will vote to raise and appropriate

the sum of $284.29 to pay bills against the town for hospital charges of Bernard Conefy and George S. Hanson at the Reading State Sanatorium, and of Harold A. Harnden at City Hospital, Boston.

ART. 101. To see if the town will vote to accept Chapter 244, Acts of the year 1911. An Act relative to fires in the open air.

ART. 102. To see if the town will authorize the Selectmen to petition the Legislature for authority to pay the Stoneham Five Cents Savings Bank the sum of $253.55 for taxes paid from 1901 to 1909, inclusive, on land they did not own.

ART. 103. To see if the town will vote to appropriate a sum of money for the printing of the valuation of the town.

ART. 104. To see if the town will vote to lay a water main in and through Lindenwood road from Cottage street westerly for a distance of eight hundred and eighty (880) feet; raise and appropriate money therefor by sale of water bonds or otherwise; pass any vote or take any action relative thereto.

And you are directed to have three hundred and twenty-five copies of this warrant printed, and to serve the same by posting up twenty-five attested copies as follows, viz: One upon each School-house and Meeting-house in said town, and the residue of the said twenty-five copies in conspicuous public places in different sections of the town, seven days at least before the time for holding said meeting, and by publishing a duly attested copy of said warrant in some newspaper published in the town, the last publication to be not less than three days before said meeting. The remaining three hundred copies you are required to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this nineteenth day of February in the year of our LORD one thousand nine hundred and twelve.

GEORGE R. BARNSTEAD,
ARTHUR N. NEWHALL,
Selectmen of Stoneham.

A true copy, Attest:
Sumner H. Green, Constable.
